COLLECTIONS

2021 Accomplishments
Collections: Abatement, Conservation, Maintenance

- Ruth Asawa’s Origami Fountains (one of several) in Japantown, before and after conservation.
- Keith Haring’s Dancing Figures at Moscone Center, vandalism abatement
- Nobuho Nagasawa’s *Ship Shape Shifting Time* at Islais Creek, graffiti abatement.
COMMUNITY INVESTMENTS

2021 Accomplishments
$14.7 million to 67 artists, 81 nonprofit arts groups and 7 cultural centers

- 14 grant categories
- 411 applications
- 44 panelists

Cultural Ambassadors engaged hard-to-reach communities resulting in an increase in grant requests from first-time applicants
Dream Keeper Initiative

Part of the City’s reallocation of funding from the police department and the sheriff’s office to support Black artists and communities.

- $1.5 million to African American Art and Culture Complex
- $400,000 to Idris Ackamoor and Cultural Odyssey, above right
- $100,000 to SFBATCO, below right
- $100,000 to African American Shakespeare Company
SFAC Galleries Reopened After 18 Months of COVID Shutdown in Fall 2021 with Three New Exhibitions

- **Care in the Time of COVID-19**, the debut exhibition in City Hall, features work by artists in residence at Covid Command Center and CatchLight.
- **Black Magic**, a collection of videos created by five members of the San Francisco-based Three Point Nine Art Collective.
- **Taking Place: Untold Stories of the City** features work by Mansur Nurullah; Trina Michelle Robinson; and Hannah Waiters.

Background detail: Mansur Nurullah’s *Covid, George, Allies, and Distance*, 2020. His extended residency at the Planning Department yielded undulating, 3D, topographically-inspired fiber artworks.
CIVIC DESIGN REVIEW

2021 Accomplishments
900 INNES & INDIAP BASIS SHORELINE PARK

- SFAC VAC approved artist Raylene Gorum’s *Lady Bayview* to be installed at Pier 2 of the project site.
- *Lady Bayview* references both the strong women leaders of the Bayview community and the seafaring history of the site.
SFMTA MUNI METRO EAST EXPANSION - TEMPORARY FACILITY

- This project covers 175,000 square feet and functions to service the fleet of City buses as well as support MUNI staff between driving shifts.
- The MUNI station will be operational in 2023.
