About ALG

The Artistic Legacy Grant (ALG) acknowledges the impact of an artistic leader who has served a San Francisco-based organization consistently for 25 years or more. An artistic leader may be an individual that conceives, develops and implements the artistic vision of an organization. This may include artistic directors, chief artistic officers, program directors, executive directors or curators.

Through the vision of the artistic leader, the applicant organization is a vital member of their respective community(ies) and has a history of working to educate the broader community on the importance of their culture and/or artistic genre.

Purpose and Funding Categories

ALG funds may be used to support organizational or artistic legacy planning including transition or succession planning; strategic planning; implementing retirement plans; and/or artistic documentation or publications reflecting the history of the organization.

The recipient of the Artistic Legacy Grant is recognized by the San Francisco Arts Commission. The awardee is required to attend any public presentation and designate a representative to work with the SFAC on the announcement and/or presentation.

Racial Equity Statement

The San Francisco Arts Commission (SFAC) is committed to creating a city where all artists and cultural workers have the freedom, resources and platform to share their stories, art and culture, and where race does not predetermine one's success in life. We also acknowledge that we occupy traditional and unceded Ohlone land. Fueled by these beliefs, we commit to addressing the systemic inequities within our agency, the City and County of San Francisco and the broader arts and culture sector. This work requires that we focus on race as we confront inequities of the past, reveal inequities of the present and develop effective strategies to move all of us towards an equitable future.

Priority funding goes to artists that are deeply rooted in and reflective of communities listed in the Arts Commission's 1993 Cultural Equity Endowment Legislation and informed by current best practices in racial equity. These communities include: African and African American; Latinx; Asian and Asian American; Arab; Native American; Pacific Islander; Lesbian, Gay, Bisexual, Queer; Transgender and Gender Variant People; People with Disabilities; and Women. (SF ADMIN. CODE CHAPTER 68: CULTURAL EQUITY ENDOWMENT FUND. Sec. 68.6. PROJECT GRANTS).

If you are a part of a community not listed that you feel should be included, we encourage applicants to articulate and provide supporting evidence regarding the historical and current inequities experienced by your community.

Maximum Grant Request Amount

The anticipated grant request amount for an Artist Legacy Grant is \$40,000 based on current budget availability. Should additional City funding become available, grant amounts could be increased.

Grant Term

A grant funded pursuant to these guidelines will have a grant term of one year. The City at its sole, absolute discretion shall have the option to extend the term for additional years or as determined by the Arts Commission.

The San Francisco Arts Commission reserves the right to: reissue these guidelines and request for applications; reject or cancel any or all applications; prior to application deadline, modify all or any portion of the selection procedures, including deadlines for accepting responses, the specifications or requirements for any services to be provided under this Solicitation or the requirements for content or format of the applications.

City Permits and Permissions

Grant funding does not imply that the San Francisco Arts Commission or any other City agency will produce, exhibit, promote or present the art created. It is the responsibility of the artist to secure a venue, insurance and any permits for public presentations.

If the proposal includes components that require City permits or approval such as publicly installed art, murals, street closures or sound amplification in public space, the organization will be solely responsible for securing the necessary permits, permissions and approvals. This planning should be reflected in the project timeline.

Please note that any art installed with these grant funds on property owned by the City and County of San Francisco or on private property, must be reviewed and approved by the San Francisco Arts Commission starting with the Visual Arts Committee. This applies to murals, public sculpture and similar projects. It will be the responsibility of the grantee to build this process into their grant plan, budget narrative and timeline. Please contact Craig Corpora at craig.corpora@sfgov.org for questions about murals, sculpture or any other type of public art.

Grant Review Panelists

SFAC grant applications are evaluated in an open review process by a panel of peers. Grant review panelists reflect the diversity of San Francisco, have broad knowledge about racial equity, and have experience that aligns with the purpose of the grant.

Application Review

Panelists evaluate and rank applications according to the stated scoring criteria.

Panel Review Attendance and Influence

Grant review panels are publicly accessible. A schedule of the panel review will be posted on the SFAC website calendar and applicants will be notified in advance via email. **Please be sure the email address in your application is current and regularly checked. Take steps to ensure that emails from the San Francisco Arts Commission's sfac.grants@sfgov.org email address are not lost in your spam filter.** Many applicants find it informative to listen to the discussion of applications and are welcome to observe the panel review. Applicants may not engage in discussion with any panelists or San Francisco Arts Commission staff during the panel.

If an applicant is found to have attempted to influence a panelist in any way, including contacting them before or after the panel to discuss their application, their grant application will be automatically disqualified.

Panel Reviews and Panelist Scores

Virtual panels will be recorded.

NEW: Links to the panel review recording and preliminary scores are emailed to applicants within 10 business days of the review.

Funding Recommendations

Based on an evaluation of the applications, panelist scores create a ranking for funding recommendations. Grant amounts are either the full amount of the grant request or a substantial portion of the request.

Funding Approval

Panel recommendations are subject to the approval of the Arts Commission. Typically, recommendations are first reviewed by the Community Investments Committee and then must be approved by the full Commission.

Arts Commission meetings are open to the public. Agendas are available at <https://sfgov.org/arts/> 72 hours in advance of a meeting.

Grant Notifications

Grant notifications are emailed to the address listed on the application and include instructions about the contracting process and orientation dates.
