About CEI

Cultural Equity Initiatives (CEI) is a cornerstone of the Arts Commission's grants program. CEI honors and amplifies the legacy of the Cultural Equity Endowment by supporting San Francisco-based arts organizations that are deeply embedded in their communities through multi-year, core support grants. Core support grants provide organizations with the funds they need to sustain day-to-day operations and provide maximum flexibility.

Purpose and Funding Categories

The CEI grant program supports small and mid-sized arts organizations deeply rooted in San Francisco communities with core support grants up to \$100,000 over two years.

- **Funds may be used for general operating expenses** including but not limited to **administrative/staff salaries, utilities, rent, office supplies, technology maintenance**, as well as for project costs, professional development, artistic planning and programming.
- **Prioritizes organizations** deeply rooted and connected to BIPOC, LGBTQ, People with Disabilities, women and other communities that are identified in the Cultural Equity Endowment legislation (please see below).
- **Fosters artistic expression and arts leadership** reflective of San Francisco's rich cultural heritage and legacy.

- **Provides flexibility and addresses bandwidth challenges** in critical sustainability areas including operations and staff development.

Racial Equity Statement

The San Francisco Arts Commission (SFAC) is committed to creating a city where all artists and cultural workers have the freedom, resources and platform to share their stories, art and culture, and where race does not predetermine one's success in life. We also acknowledge that we occupy traditional and unceded Ohlone land. Fueled by these beliefs, we commit to addressing the systemic inequities within our agency, the City and County of San Francisco and the broader arts and culture sector. This work requires that we focus on race as we confront inequities of the past, reveal inequities of the present and develop effective strategies to move all of us towards an equitable future.

Priority funding goes to artists that are deeply rooted in and reflective of communities listed in the Arts Commission's 1993 Cultural Equity Endowment Legislation and informed by current best practices in racial equity. These communities include: African and African American; Latinx; Asian and Asian American; Arab; Native American; Pacific Islander; Lesbian, Gay, Bisexual, Queer; Transgender and Gender Variant People; People with Disabilities; and Women. (SF ADMIN. CODE CHAPTER 68: CULTURAL EQUITY ENDOWMENT FUND. Sec. 68.6. PROJECT GRANTS.)

If you are a part of a community not listed that you feel should be included, we encourage applicants to articulate and provide supporting evidence regarding the historical and current inequities experienced by your community.

Maximum Grant Request Amount

The maximum grant request amount for a Cultural Equity Initiatives grant is \$100,000 based on current budget availability and organization's budget size. Should additional City funding become available, grant amounts could be increased.

The applicant organization's **average annual operating revenue** from the two most recently completed fiscal years determines the eligible request amount. Please review the funding chart to determine the maximum grant request amount.

The organization's two-year average annual operating revenue is calculated by adding the IRS Form 990 line item Total Revenue for the two most recently completed fiscal years and dividing the sum by two.

Fiscally Sponsored Organizations:

A fiscally sponsored organization's average annual operating revenue is calculated by adding the **Profit and Loss Statement line item Total Revenue** for the two most recently completed fiscal years and dividing the sum by two.

Operating Revenue (two-year average)	Eligible Request Amount
Under \$25,000	\$25,000
More than \$25,000 but less than \$50,000	\$50,000
More than \$50,000 but less than \$75,000	\$75,000
More than \$75,000 but less than \$1,500,000	\$100,000

Grant Term

A grant funded pursuant to these guidelines will have a grant term of two years. The City at its sole, absolute discretion shall have the option to extend the term for additional years as determined by the Arts Commission.

The San Francisco Arts Commission reserves the right to: reissue these guidelines and request for applications; reject or cancel any or all applications; prior to application deadline, modify all or any portion of the selection procedures, including deadlines for accepting responses, the specifications or requirements for any services to be provided under this Solicitation, or the requirements for content or format of the applications.

Project Requirements

- Fiscal sponsors and arts service organizations:** Organizations that exceed the \$1,500,000 budget cap due to re-granting and/or non-arts related emergency COVID response funds must verify their operational budget without pass-through funds at the time of application. Applicants must upload audited financials from the most recently completed fiscal year demonstrating the dollar amount of pass-through funds.

Grant Review Panelists

SFAC grant applications are evaluated in an open review process by a panel of peers. Grant review panelists reflect the diversity of San Francisco, have broad knowledge about racial equity, and have experience that aligns with the purpose of the grant.

Application Review

Panelists evaluate and rank applications according to the stated scoring criteria.

Panel Review Attendance and Influence

Grant review panels are publicly accessible. A schedule of the panel review will be posted on the SFAC website calendar and applicants will be notified in advance via email. **Please be sure the email address in your application is current and regularly checked. Take steps to ensure that emails from the San Francisco Arts Commission’s sfac.grants@sfgov.org email address are not lost in your spam filter.** Many applicants find it informative to listen to the discussion of applications and are welcome to observe the panel review. Applicants may not engage in discussion with any panelists or San Francisco Arts Commission staff during the panel.

If an applicant is found to have attempted to influence a panelist in any way, including contacting them before or after the panel to discuss their application, their grant application will be automatically disqualified.

Panel Reviews and Panelist Scores

Virtual panels will be recorded.

NEW: Links to the panel review recording and preliminary scores are emailed to applicants within 10 business days of the review.

Funding Recommendations

Based on an evaluation of the applications, panelist scores create a ranking for funding recommendations. Grant amounts are either the full amount of the grant request or a substantial portion of the request.

Funding Approval

Panel recommendations are subject to the approval of the Arts Commission. Typically, recommendations are first reviewed by the Community Investments Committee and then must be approved by the full Commission.

Arts Commission meetings are open to the public. Agendas are available at <https://sfgov.org/arts/> 72 hours in advance of a meeting.

Grant Notifications

Grant notifications are emailed to the address listed on the application and include instructions about the contracting process and orientation dates.
