About the San Francisco Artist Grant

The San Francisco Artist Grant (SFA) category fund artists and works of art in all genres made by artists living in San Francisco. Artist projects and the majority of activities must take place in San Francisco and provide a public benefit to the City of San Francisco and its communities. Creation of work and any related public benefit must take place between July 1, 2023 and December 31, 2024. Artists may use the requested funds to cover an entire project or part of a larger project. **This grant is not intended to support organizations, artistic companies or collectives.** Projects may include collaborations, but the individual who applies for the grant and is approved for funding will receive the grant award. The application should be written from the perspective of the specific artist applying and highlight their personal experience, work and role in the project.

New This Year

- Panels will be multi-genre and curated by number of applications, not by content. Artists who identify as having five years' experience or less will be reviewed by a separate panel.

Land Acknowledgement

The San Francisco Arts Commission acknowledges that we are on the unceded ancestral homeland of the Ramaytush Ohlone. We affirm the sovereign rights of their community as First Peoples and are committed to supporting the traditional and contemporary evolution of the American Indian community and uplifting contemporary indigenous voices and culture.

Racial Equity Statement

The San Francisco Arts Commission (SFAC) is committed to creating a city where all artists and cultural workers have the freedom, resources and platform to share their stories, art and culture, and where race does not predetermine one's success in life. We also acknowledge that we occupy traditional and unceded Ohlone land. Fueled by these beliefs, we commit to addressing the systemic inequities within our agency, the City and County of San Francisco and the broader arts and culture sector. This work requires that we focus on race as we confront inequities of the past, reveal inequities of the present and develop effective strategies to move all of us towards an equitable future.

Priority funding goes to artists that are deeply rooted in and reflective of communities listed in the Arts Commission's 1993 Cultural Equity Endowment Legislation and informed by current best practices in racial equity. These communities include: African and African American; Latinx; Asian and Asian American; Arab; Native American; Pacific Islander; Lesbian, Gay, Bisexual, Queer; Transgender and Gender Variant People; People with Disabilities; and Women. (SF ADMIN. CODE CHAPTER 68: CULTURAL EQUITY ENDOWMENT FUND. Sec. 68.6. PROJECT GRANTS).

If you are a part of a community not listed that you feel should be included, we encourage applicants to articulate and provide supporting evidence regarding the historical and current inequities experienced by your community.

Maximum Grant Request Amount

The anticipated grant request amount for a San Francisco Artist grant is \$20,000 based on current budget availability. Should additional City funding become available, grant amounts could be increased.

Grant Term

A grant funded pursuant to these Guidelines will have a grant term of eighteen months. The City at its sole, absolute discretion shall have the option to extend the term for additional years or as determined by the Arts Commission.

This application is issued pursuant to San Francisco Administrative Code Chapter 21G: Grants. The San Francisco Arts Commission reserves the right to: reissue these Guidelines and request for applications; reject any or all applications; prior to

application deadline, modify all or any portion of the selection procedures, including deadlines for accepting responses, the specifications or requirements for any services to be provided under this Solicitation or the requirements for content or format of the applications.

Project Requirements

- **New Work:** The project proposal must include work made by the artist during the grant cycle. Only activities scheduled during the grant cycle are eligible for funding.
- **Public Benefit:** Projects funded in this category must have a demonstrated public benefit, something that is open and accessible to the general San Francisco-based public. This can be through a virtual or in person public event, or through other means as imagined and realized by the artist, which benefit the City of San Francisco, its neighborhoods and communities.

Grant Review Panelists

SFAC grant applications are evaluated in an open review process by a panel of peers. Grant review panelists reflect the diversity of San Francisco, have broad knowledge about racial equity, and have experience that aligns with the purpose of the grant.

Application Review

Panelists will be multi-genre and curated by number of applications, not by content. Artists who identify as having five years' experience or less will be reviewed by a separate panel.

Panelists use the Scoring Criteria to review and score applications. Additionally, panelists may reference the [Aesthetic Perspectives Framework and list of Aesthetic Attributes](#) identified by Americans for the Arts. These concepts help panelists recognize and discuss qualities of art-making outside of an academic or institutional lens.

Panel Review Attendance and Influence

Grant review panels are publicly accessible. A schedule of the panel review will be posted on the SFAC website calendar and applicants will be notified in advance via email. **Please be sure the email address in your application is current and regularly checked. Take steps to ensure that emails from the San Francisco Arts Commission's sfac.grants@sfgov.org email address are not lost in your spam filter.** Many applicants find it informative to listen to the discussion of applications and are welcome to observe the panel review. Applicants may not engage in discussion with any panelists or San Francisco Arts Commission staff during the panel.

If an applicant is found to have attempted to influence a panelist in any way, including contacting them before or after the panel to discuss their application, their grant application will be automatically disqualified.

Panel Reviews and Panelist Scores

Virtual panels will be recorded. Links to the panel review recording and preliminary scores are emailed to applicants within 10 business days of the review.

Funding Recommendations

Based on an evaluation of the applications, panelist scores create a ranking for funding recommendations. Grant amounts are either the full amount of the grant request or a substantial portion of the request.

Funding Approval

Panel recommendations are subject to the approval of the Arts Commission. Typically, recommendations are first reviewed by the Community Investments Committee and then must be approved by the full Commission.

Arts Commission meetings are open to the public. Agendas are available at <https://sfgov.org/arts/> 72 hours in advance of a meeting.

Grant Notifications

Grant notifications are emailed to the address listed on the application and include instructions about the contracting process and orientation dates.
