The San Francisco Arts Commission acknowledges that we are on the unceded ancestral homeland of the Ramaytush Ohlone who are the original inhabitants of the San Francisco Peninsula. As the indigenous stewards of this land and in accordance with their traditions, the Ramaytush Ohlone have never ceded, lost nor forgotten their responsibilities as the caretakers of this place, as well as for all peoples who reside in their traditional territory. As guests, we recognize that we benefit from living and working on their traditional homeland. We wish to pay our respects by acknowledging the ancestors, elders and relatives of the Ramaytush Community and by affirming their sovereign rights as First Peoples. As a department dedicated to promoting a diverse and equitable Arts and Culture environment in San Francisco, we are committed to supporting the traditional and contemporary evolution of the American Indian community.

The San Francisco Arts Commission is the City agency that champions the arts as essential to daily life by investing in a vibrant arts community, enlivening the urban environment and shaping innovative cultural policy.

Our programs include:

- Community Investments
- Public Art
- Civic Art Collection
- Civic Design Review
- Art Vendor Program
- SFAC Galleries

The Community Investments Program supports San Francisco artists, arts organizations, **and communities with an equity lens** through grants, technical assistance and capacity building, economic development, arts education initiatives and community-based Cultural Centers.

RACIAL EQUITY STATEMENT

2020 Cultural Centers SOMArts,
Thinking of You

The San Francisco Arts Commission is committed to creating a city where all artists and cultural workers have the freedom, resources and platform to share their stories, art and culture and where race does not predetermine one's success in life. We also acknowledge that we occupy traditional and unceded Ohlone land. Fueled by these beliefs, we commit to addressing the systemic inequities within our agency, the City and County of San Francisco and the broader arts and culture sector. This work requires that we focus on race as we confront inequities of the past, reveal inequities of the present and develop effective strategies to move all of us towards an equitable future.

CULTURAL EQUITY ENDOWMENT FUND

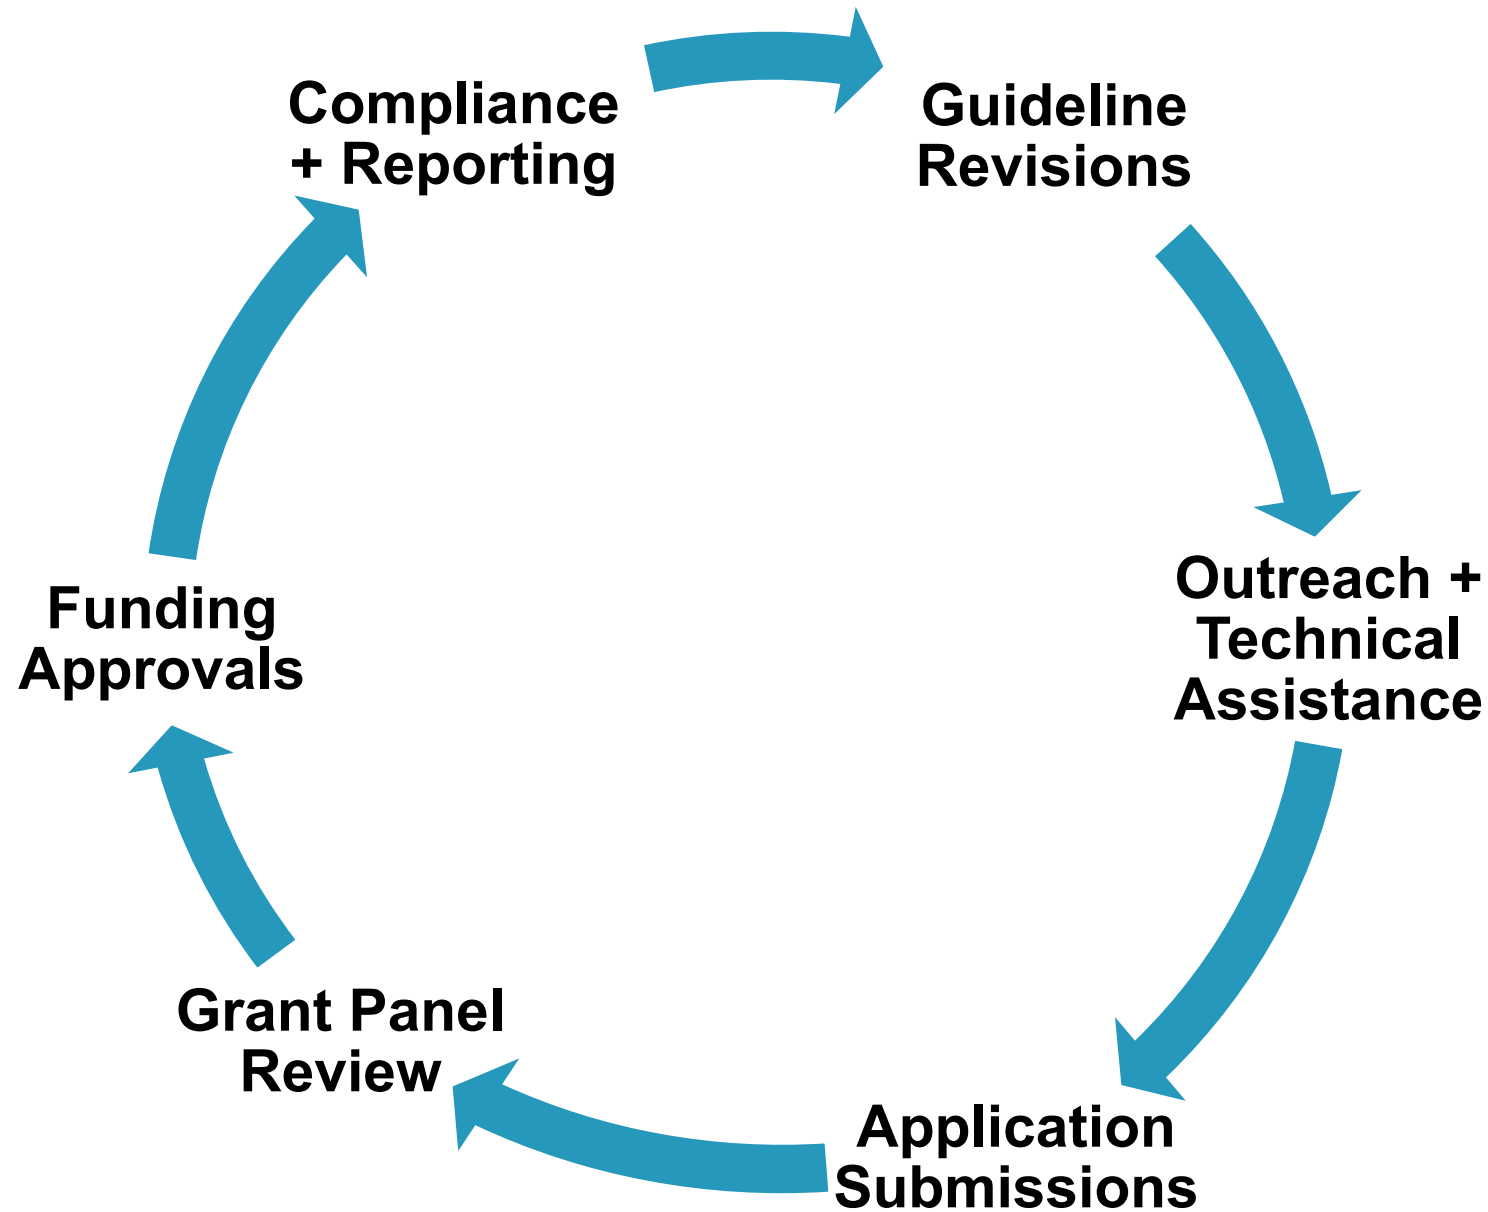

SEC. 68.1. PURPOSES

The Cultural Equity Endowment Fund is established to move San Francisco arts funding toward cultural equity.

The Arts Commission seeks to fund artists and organizations that foster artistic expression deeply rooted in and reflective of historically marginalized communities, including for example those communities highlighted by the Cultural Equity Endowment Legislation and the Grantmakers in the Arts’ [“External link: Racial Equity in Arts Funding: Statement of Purpose and Recommendations for Action,”](#) and the Cultural Equity Endowment Fund.
