1. Certification of Funds; Budget and Fiscal Provisions; Termination in the Event of Non-Appropriation

This Agreement is subject to the budget and fiscal provisions of City’s Charter. Charges will accrue only after prior written authorization certified by the Controller. City’s obligation under this Agreement shall not at any time exceed the amount certified for the purpose and period stated in such certification.

This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated.

City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Artist’s assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.
2. Term of the Agreement

The term of this Agreement shall be from <<INSERT BEGINNING DATE>> to <<INSERT TERMINATION DATE>>, unless extended by subsequent contract modification pursuant to the contract modification requirements in this Agreement. Notwithstanding the above, this Agreement may be extended by mutual written agreement of the parties for a period not to exceed two years beyond the initial term, provided that such extension does not create a contract with a total aggregate term of more than 9 years.

3. Effective Date of Agreement

This Agreement shall become effective when the Controller has certified to the availability of funds and Artist has been notified in writing.

4. Services Artist Agrees to Perform; Procedure for Execution of Work; Budget; Consultation

a. Services. Artist agrees to perform the services provided for in Appendix B, “Services to be Provided by Artist,” attached hereto and incorporated by reference as though fully set forth herein, as well as any scope of services included in any subsequent modification to this Agreement.

b. Procedure for Execution of Work

(1) It is the general intent of the parties that Artist will complete the design, fabrication and installation of the Artwork at the Site, provided that City determines, in its sole discretion, to go forward with the completion of the Artwork. The Work shall be completed in separately defined, successive stages (“Phases”). In addition to the Phase(s) set forth in Appendix A at the time this initial Agreement is entered into, the parties may modify this Agreement to include subsequent Phases. Each Phase shall be governed by this Agreement, and by any modifications to this Agreement setting forth specific terms and conditions governing each Phase of Work. Each modification will include the Phase for which the Commission has given authorization, the scope of work covered by that Phase, the schedule of deliverables, insurance requirements, and payment terms.

(2) By authorizing any particular Phase, the Commission is not obligated to authorize any subsequent Phase. Subject to the limitations contained in this Agreement, the Commission may terminate this Agreement at any time and is under no obligation to modify the Agreement to include subsequent Phases.

(3) Artist shall not commence any Phase nor incur any expense in anticipation of commencing any Phase unless the Commission has given prior written authorization and the Controller has certified the availability of funds. Prior to beginning each Phase, Artist shall obtain the necessary approval of the previous Phase. In no event shall City be liable for any claims or damages arising from Artist’s unauthorized actions.

(4) If requested to do so in writing by the Commission, Artist shall enter into modifications of this Agreement to include later Phases of the Work, up to and including final installation at City’s option. Artist’s fee for such subsequent Phases shall be in accordance with the Budget approved by the Arts Commission. City must exercise its option to require a subsequent Phase within 3 years of completion of the prior Phase. If City fails timely to exercise its option, Artist is released from its obligation under this Section. Artist acknowledges that Commission has provided to Artist a model contract template for Phases I through V of the Work, from conceptual design through fabrication and installation. Artist agrees that, if City exercises its option to enter into subsequent Phases of Work, Artist shall be bound to modify this Agreement to include such additional Phases of Work under the terms and conditions set forth in such model contract templates.
(5) The Work to be completed by Artist is unique and personal to Artist, and may not be capable of completion by anyone other than Artist. Therefore, if Artist fails or refuses to modify this Agreement to include subsequent Phases after having been requested to do so by the Commission, or fails to complete the Work required by any Phase, the Commission may require that Artist return all payments made under this Agreement from the initiation of the Agreement. If the Commission determines, in its sole and reasonable discretion, that Artist’s failure or refusal to complete subsequent Phases is justifiable and in good faith and for reasons beyond the control of Artist, the Commission may authorize Artist to keep payments made under this Agreement for prior completed Phases. In such case, the Commission may, at its option, engage another Artist to complete the Work.

c. Budget. Unless otherwise specified in a modification to this Agreement, at the completion of Design Development Documents, Artist shall submit a final Budget for the entire cost of completion of the Artwork, including design, fabrication, transportation and delivery, installation and any post-installation maintenance required of Artist. Budget shall also include anticipated costs associated with ongoing maintenance and operation of Artwork and/or replacement/upgrade of any part of the Artwork and associated moving parts or equipment including any staff time involved in displaying, supervising or operating Artwork. Once adopted by the Commission as part of the approval of the Design Development phase, such Budget shall be binding upon Artist. If Artist is unable to provide the completed and installed Artwork to City within the approved Budget, Artist will be considered to be in breach of this Agreement. The Budget, in addition to allowing for all costs anticipated for the design, fabrication, transportation and installation of the Work, shall also allow for a 10% contingency allowance. Artist’s use of the contingency allowance must be approved in advance in writing by Commission staff. Any balance remaining in the materials budget or contingency allowance at the conclusion of the Agreement reverts to the Commission. The Budget shall also include an estimate of the costs of on-going maintenance of the Work. Such maintenance costs shall not be provided out of the Contract Amount unless the Commission specifically requires in writing that the Artist allocate a portion of the Contract Amount to on-going maintenance costs.

d. Consultation. Artist agrees to cooperate in good faith with the Commission and to be available as reasonably necessary for consultation with the Commission, Architect, Client, and General Contractor during all stages of the Work. Commission agrees to facilitate cooperation and arrange for and coordinate all necessary consultation among the Commission, Artist, Architect, Client, and General Contractor.

(1) Artist shall incorporate into the Contract Documents any changes made by the Architect to the Site design during the design process.

(2) Artist shall copy Commission on all correspondence between Artist, Architect, Client, Construction Management Team, or General Contractor in which Commission is not a party. Artist shall notify Commission in writing of any verbal agreements and/or understandings that are arrived at in conversations or meetings between Artist and Architect, Client, Construction Management Team and/or General Contractor to which Commission is not a party. Artist understands that failure to inform Commission of such agreements, and failure to confirm such agreements in writing with Commission and/or Client, Architect, Construction Management Team and/or General Contractor may result in such agreements not being honored.

5. Compensation

The total payment amount due to Artist under this Agreement shall not exceed <<INSERT WHOLE DOLLAR AMOUNT IN NUMBERS AND WORDS – NO PENNIES AND NO “.00”>>. This total amount shall include Artist’s fee and all reimbursable expenses. Out of the total contract amount, Artist shall be responsible for paying all of Artist's costs and expenses associated with the work,
including the costs of suppliers, subcontractors, fees, taxes, permits, insurance, transportation to and from meetings, and all other expenses associated with the scope of the Work specified in this Agreements (hereinafter “Artist's Costs”).

Fee: Artist's fee for coordinating and producing the Work (hereinafter “Artist's Fee”) is <<INSERT WHOLE DOLLAR AMOUNT IN NUMBERS AND WORDS -- NO PENNIES>>.

Reimbursables: In addition to Artist’s fee, as set forth immediately above, Artist shall be reimbursed up to <<INSERT WHOLE DOLLAR AMOUNT IN NUMBERS AND WORDS -- NO PENNIES>> for Approved Artist's Costs based on the submittal of original receipts or invoices. The breakdown of Approved Costs associated with this Agreement appears in Appendix C, attached hereto and incorporated by reference as though fully set forth herein. Artist shall be entitled to reimbursement only to the extent Artist has actually incurred such costs, and City shall retain all funds remaining or saved from the costs estimated in Appendix C and in the Budget as required in Appendix B and as approved by the Arts Commission.

Compensation shall be made to Artist based upon Artist’s successful completion, in the sole reasonable discretion of the Director of Cultural Affairs, of the milestones set forth in the Appendices to this Agreement.

No charges shall be incurred under this Agreement nor shall any payments become due to Artist until deliverables, services, or both, required under this Agreement are received from Artist and approved by the Commission as being in accordance with this Agreement. City may withhold payment to Artist in any instance in which Artist has failed or refused to satisfy any material obligation provided for under this Agreement.

In no event shall City be liable for interest or late charges for any late payments.

6. Guaranteed Maximum Costs

The City’s obligation hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification.

Except as may be provided by laws governing emergency procedures, officers and employees of City are not authorized to request, and City is not required to reimburse Artist for, commodities or services beyond the scope of this Agreement unless the changed scope is authorized by amendment and approved as required by law.

Officers and employees of City are not authorized to offer or promise, nor is City required to honor, any offered or promised additional funding in excess of the maximum amount of funding for which this Agreement is certified without certification of the additional amount by the Controller.

The Controller is not authorized to make payments on any contract for which funds have not been certified as available in the budget or by supplemental appropriation.

7. Payments; Invoice Format; Suppliers and Subcontractors

a. Artist Invoices. Invoices furnished by the Artist under this Agreement must be in a form acceptable to the Controller. At a minimum, invoices must identify the contractor as <<INSERT ARTIST'S NAME>>, the contract project as <<INSERT NAME OF PROJECT>> and include the date of transaction, name and address of Artist, interim payment number for which compensation is requested, and amount requested. The Artist must submit an original invoice, which must be accompanied by pre-printed and itemized receipts. City shall make payment to the Artist at the address
listed for notices in this Agreement. All amounts paid by City to Artist shall be subject to audit by City
and other agencies with jurisdiction over the Project and Project funding.

b. **Supplier and Subcontractor Invoices.** Artist shall provide the Commission with the
name, address and telephone number of suppliers and subcontractors whose total invoices are expected to exceed one thousand dollars ($1,000.00) prior to Artist beginning work under this Agreement, or as such expenses are incurred by Artist after certification of this Agreement.

8. **Submitting False Claims; Monetary Penalties**

Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at http://www.municode.com/Library/clientCodePage.aspx?clientID=4201. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

9. **Disallowance**

<<[This section is required only if the contract involves state or federal funds. If no state or federal funds are involved, please leave the section number and replace the title and text of the section with the indicated language, so that the result reads: “9. Disallowance -- Left Blank by Agreement of the Parties.”]>>

If Artist claims or receives payment from City for a service, reimbursement for which is later disallowed by the State of California or United States Government, Artist shall promptly refund the disallowed amount to City upon City’s request. At its option, City may offset the amount disallowed from any payment due or to become due to Artist under this Agreement or any other Agreement.

By executing this Agreement, Artist certifies that Artist is not suspended, debarred or otherwise excluded from participation in federal assistance programs. Contractor acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

10. **Taxes**

a. Any taxes levied upon the Agreement, the transaction, or the equipment or services delivered under this Agreement, including possessory interest taxes and California sales and use taxes, shall be borne by Artist.

b. Artist recognizes and understands that this Agreement may create a “possessory interest” for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Artist to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

(1) Artist, on behalf of himself and any permitted successors and assigns, recognizes and understands that Artist, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest;
(2) Artist, on behalf of himself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a “change in ownership” for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Artist accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

(3) Artist, on behalf of himself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Artist accordingly agrees on behalf of himself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

(4) Artist further agrees to provide such other information as may be requested by City to enable City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

11. Payment Does Not Imply Acceptance of Work; Approval and Final Acceptance

a. Payment does not imply acceptance of work. The granting of any payment by City, or the receipt thereof by Artist, shall in no way lessen the liability of Artist to replace unsatisfactory work, equipment, or materials although the unsatisfactory character of such work, equipment or materials may not have been apparent or detected at the time such payment was made. Materials, equipment, components, or workmanship that does not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Artist without delay.

b. Approval and Final Acceptance.

(1) The granting or withholding of any approval by the Commission shall be determined by the Commission in its sole and reasonable discretion. However, the Commission shall approve all deliverables if they conform to plans or Contract Documents previously approved by the Commission. If the Commission withholds approval of any deliverables or Phase, in addition to other rights or remedies available to the Commission under the Agreement or applicable law, the Commission shall have the right to terminate this Agreement immediately and shall have no further obligations under this Agreement.

(2) Final Acceptance. Artist shall advise the Commission in writing when Artist has completed all obligations, services and deliverables under this Agreement and all modifications. The Commission promptly shall send a Notice of Response identifying in writing any obligations, services or deliverables that Artist has not satisfactorily met, any defects in Artist’s performance, and the requirements for Artist to cure any such default. Artist shall have 20 days from dispatch of the Notice of Response to cure any defects in Artist’s performance identified in the Commission’s Notice of Response. The Artwork shall not be finally accepted by City unless the Commission has issued a resolution of Final Acceptance. City shall make a good faith effort to make a determination as to Final Acceptance promptly.

(3) Civic Art Collection. Upon Final Acceptance, the Commission shall accession the Artwork into the Civic Art Collection.

11A. Bonds

a. Labor and Materials (Payment) and Performance Bonds: To the extent that the fabrication and/or installation of any artwork is a "Public Work" as defined by San Francisco Administrative Code Section 6.1(I), and any contract amount, including any subcontract amount, for such
fabrication or installation exceeds $25,000, the Artist or Artist’s sub-contractors shall provide performance and payment bonds from a City-approved surety under San Francisco Administrative Code Section 6.22(A). The bonds shall each be in an amount of not less than one hundred percent of the agreement for project-specific work. The performance bond shall name the City and County of San Francisco as sole obligee if provided by the Artist. The bonds shall be on a City-approved form provided by the City to the Artist. The Artist shall submit the bonds to the Arts Commission for approval.

b. Bonds Provided by Subcontractors: Bonds provided by the Artist’s sub-contractor shall identify the project and name as dual obligees the Artist and the City and County of San Francisco. Upon written request by the City, in the event of any of Artist’s subcontractors’ failure to perform, Artist shall assign all rights under any Performance and Payment or Labor and Materials bond in favor of City. The bonds shall be on a City-approved form provided by the City to the Artist. The Artists shall submit the bonds to the Arts Commission for approval.

c. Labor and Materials (Payment) and Performance Bonds required at Commission’s Discretion: To the extent that the fabrication and/or installation of any artwork and the contract amount, including any subcontract amount for such fabrication or installation exceeds $25,000, the Commission may, at the Commission’s sole discretion, require Payment and Performance Bonds, whether or not the fabrication and or installation of the artwork is defined as a “Public Work” by the San Francisco Administrative Code. In such event, all the above requirements shall apply.

11B. Licensed Contractor Requirements.

If the fabrication and/or installation of the Artwork or any portion of the Artwork under this Agreement is a "Public Work" as defined by San Francisco Administrative Code Section 6.1 (I) and requires a licensed contractor, Artist shall be solely responsible for ensuring that Artist and Artist's subcontractors (if any) have valid appropriate licenses under California law or the applicable jurisdiction. If the Artist and/or any of Artist's subcontractors are unlicensed during any phase of the project under this Agreement, the City shall have the right to bar Artist from receiving any payment for Artist's services.

If Artist is not a licensed contractor, Artist shall not be able to subcontract with licensed contractors for fabrication and/or installation of the Artwork or any portion of the Artwork under this Agreement.

12. Qualified Personnel

Work under this Agreement shall be performed only by competent personnel under the supervision of and in the employment of Artist. Artist will comply with City’s reasonable requests regarding assignment of personnel, but all personnel, including those assigned at City’s request, must be supervised by Artist. Artist shall commit adequate resources to complete the project within the project schedule specified in this Agreement.

13. Responsibility for Equipment

City is not responsible for any damage to persons or property, including Artwork, as a result of the use, misuse or failure of any equipment used by Artist, or by any of its employees, even though such equipment be furnished, rented or loaned to Artist by City. Artist, rather than City, is responsible for site conditions and the health and safety of Artist’s employees, subcontractors and agents, and all other persons that work on or visit the Site at the invitation of Artist.

14. Independent Contractor; Payment of Taxes and Other Expenses

a. Independent Contractor. Artist shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which Artist performs the services and work requested by City under this Agreement. Artist is liable for the acts and omissions of itself, its employees and its
agents. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Artist.

Any terms in this Agreement referring to direction from City or the Commission shall be construed as providing for direction as to policy and the result of Artist’s work only, and not as to the means by which such a result is obtained.

b. **Payment of Taxes and Other Expenses.** Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Artist is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Artist which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority.

Should a relevant taxing authority determine a liability for past services performed by Artist for City, upon notification of such fact by City, Artist shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Artist under this Agreement (again, offsetting any credits for amounts already paid by Artist which can be applied against this liability).

A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Artist shall not be considered an employee of City. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Artist is an employee for any other purpose, then Artist agrees to a reduction in City’s financial liability so that City’s total expenses under this Agreement are not greater than they would have been had the court, arbitrator, or administrative authority determined that Artist was not an employee.

15. **Insurance**

a. **Required Insurance.** Without in any way limiting Artist’s liability pursuant to Section 16, the “Indemnification and General Liability” section of this Agreement, Artist shall maintain, or cause to be maintained, in force insurance in the following amounts and coverages, or as modified in Appendix B. Artist shall obtain such insurance on or before the time specified below; if no time is specified below, Artist shall obtain such insurance when required to do so by Appendix B or a modification to this Agreement. Artist shall maintain all required insurance continuously from the time originally specified, throughout the term of this Agreement until Final Acceptance of the Work by resolution of the Arts Commission. The Director of Cultural Affairs, with the approval of the City’s Risk Manager, may authorize in writing the release of an interest in such insurance at an earlier date.

(1) **Workers Compensation,** in statutory amounts with Employers’ Liability Limits not less than $1,000,000 each accident, injury or illness. Artist shall obtain such insurance prior to certification of this Agreement. To the extent Artist warrants, in writing, that Artist is not an employer and has no employees as defined by the California Labor Code Sections 3351-3351.1, Artist need not provide to the City proof of Workers Compensation insurance.

(2) **Professional Liability Insurance** for all design professionals (such as architects, landscape architects or engineers), applicable to contractor’s profession, who provide Artist with signed stamped drawing or calculations. Such insurance shall have limits not less than $1,000,000 each claim with respect to negligent acts, errors and omissions. Artist or Artist’s subcontractors shall obtain such insurance when Artist subcontracts for any work from such a design professional, and prior to the submittal of Construction Documents. Any design professional required to obtain professional liability insurance shall maintain such insurance, and proof thereof, for the term of this Agreement.
(3) **Commercial General Liability Insurance**, with limits not less than $1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations. Artist shall obtain such insurance prior to commencing the fabrication of the artwork and shall maintain through the transportation and installation of the Work at the Site.

(2) Should any of the required insurance be provided under a claims-made form, Artist shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of four years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies. This tail coverage requirement may be waived by the City’s Risk Manager in writing where appropriate.

(3) Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

(4) Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

(5) Approval of the insurance by City shall not relieve or decrease the liability of Artist hereunder.

(6) In the event of loss or damage and where any insurance proceeds are paid to City, the Commission shall make a determination, in its sole discretion, as to whether the Work shall be restored, reconstructed or abandoned. If the Commission determines that Artist shall restore or reconstruct the Work, all insurance proceeds received by City shall be paid to Artist to the extent the proceeds are used for such restoration or re-construction.

(7) If a subcontractor will be used to complete any portion of this agreement, the Contractor shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents and employees and the Contractor listed as additional insureds.

16. Indemnification

[INTERNAL INSTRUCTION FOR SFAC STAFF – DELETE THIS TEXT IN [BRACKETS] AFTER READING AND FOLLOWING THESE INSTRUCTIONS REGARDING THE SELECTION OF THE APPROPRIATE INDEMNIFICATION CLAUSE. If the Artist ("Contractor") is NOT a design professional (an architect, a landscape architect, or an engineer), then use the first version of Section 16 (which has no subsections) and delete the second version (which has subsections a, b, and c).]

Artist (hereinafter referred to as "Contractor") shall indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all loss, cost, damage, injury, liability, and claims thereof for injury to or death of a person, including employees of Contractor or loss of or damage to property, arising directly or indirectly from Contractor’s performance of this Agreement, including, but not limited to, Contractor’s use of facilities or equipment provided by
City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this Agreement, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors or either’s agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City’s costs of investigating any claims against the City.

In addition to Contractor’s obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys’ fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by City, or any of its officers or agents, of articles or services to be supplied in the performance of this Agreement.

16. Indemnification

a. General. To the fullest extent permitted by law, Contractor shall assume the defense of (with legal counsel subject to approval of the City), indemnify and save harmless the City, its boards, commissions, officers, and employees (collectively "Indemnites"), from and against any and all claims, loss, cost, damage, injury (including, without limitation, injury to or death of an employee of the Contractor or its subconsultants), expense and liability of every kind, nature, and description (including, without limitation, incidental and consequential damages, court costs, attorneys' fees, litigation expenses, fees of expert consultants or witnesses in litigation, and costs of investigation), that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, the negligence, recklessness, or willful misconduct of the Contractor, any subconsultant, anyone directly or indirectly employed by them, or anyone that they control (collectively, "Liabilities").

b. Limitations. No insurance policy covering the Contractor's performance under this Agreement shall operate to limit the Contractor's Liabilities under this provision. Nor shall the amount of insurance coverage operate to limit the extent of such Liabilities. The Contractor assumes no liability whatsoever for the sole negligence, active negligence, or willful misconduct of any Indemnitee or the contractors of any Indemnitee.

c. Copyright infringement. Contractor shall also indemnify, defend and hold harmless all Indemnites from all suits or claims for infringement of the patent rights, copyright, trade secret, trade name, trademark, service mark, or any other proprietary right of any person or persons in consequence of the use by the City, or any of its boards, commissions, officers, or employees of articles or services to be supplied in the performance of Contractor's services under this Agreement. Infringement of patent rights,
copyrights, or other proprietary rights in the performance of this Agreement, if not the basis for indemnification under the law, shall nevertheless be considered a material breach of contract.

17. Incidental and Consequential Damages

Artist shall be responsible for incidental and consequential damages resulting in whole or in part from Artist’s acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights, which City may have under applicable law.

18. Liability of City

CITY’S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE TO ARTIST (REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT) FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOST PROFITS) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE WORK PERFORMED IN CONNECTION WITH THIS AGREEMENT.

19. Timely Provision of Services; Damages for Delayed Performance; Liquidated Damages

a. Time is of the essence in this Agreement. Contractor agrees to provide all deliverables in accordance with the timelines specified and approved in writing by the Commission. Changes to project timelines must be approved in writing by the Commission. [ERASE THIS NOTE WHEN YOU DRAFTING YOUR CONTRACT - This is new wording inserted 9/18/2014 based on a change that Adine made to a recent as-needed contract.]

b. Damages for Delayed Performance

(1) Generally. Artist shall be liable for all incidental and consequential damages resulting, directly or indirectly, from delays in performance caused by Artist's acts or omissions. Artist shall not be liable to City for damages resulting from delays caused by force majeure or by acts or omissions of City, Architect or the General Contractor, except to the extent Artist failed reasonably to mitigate such damages.

(2) Illness, Injury, Death or Incapacity. Should Artist die, become ill, injured or otherwise incapacitated (collectively, “incapacitated”) such that Artist is unable to work for any period not exceeding 30 days (whether consecutive or non-consecutive), any delay arising out of such incapacity will be allowed by City whenever it is practicable to do so, considering the facts and circumstances of the Work, the Project, the Architect, the General Contractor and the Client. City may require Artist to provide medical certification of any claimed incapacity. In the event Artist is incapacitated such that Artist Team is unable to work for a period exceeding a total of 30 days (whether consecutive or non-consecutive), City may, at its option, undertake to complete and install the Work in Artist’s absence, so long as the final Artwork is substantially similar to that designed by Artist. If City undertakes to complete the Work, City shall give due consideration to Artist’s suggestions, and Artist may disclaim authorship of the Work. If City exercises its option to implement the Artwork in Artist’s absence, any compensation paid or payable to Artist shall be reduced by the costs and expenditures of City in completion and installation of the Work. In case of incapacity exceeding 30 days, the following person shall be Artist’s representative vis-à-vis the City for purposes of this Section 19 (Timely Provision of Services; Damages for Delayed Performance; Liquidated Damages): <<Name of Representative, Relationship of Representative to Artist, Contact Information including Address, Phone and Email>> unless otherwise directed in writing by the Artist.
c. Liquidated Damages

(1) By entering into this Agreement, Artist acknowledges that in the event the Work is delayed beyond the scheduled milestones and timelines provided in this Agreement, City may suffer actual damages that will be extremely difficult to determine. Commission may determine that specification of liquidated damages is appropriate for some or all phases of Work under this Agreement and, if so, shall specify the standards and amount of liquidated damages in the appropriate phase of Work under Appendix B. Artist agrees that the sum specified under each phase of work in Appendix B for damages per day for each calendar day of delay beyond scheduled milestones and timelines is not a penalty, but is a reasonable estimate of the loss that City will incur based on the delay, established in light of the circumstances existing at the time this Agreement was awarded.

(2) City may deduct a sum representing the liquidated damages from any money due to Artist. Such deductions shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Artist’s failure to deliver to City within the time fixed or such extensions of time permitted in writing by the Commission.

(3) In case of delay in Artist’s services through no fault of Artist, including construction delay, Artist shall store the Work at no additional cost to City for up to 6 months. If Artist’s work is delayed due to construction delays at the Site or other delays caused by City or its contractors, so that Artist suffers documented direct cost impacts in the form of increased costs of materials and/or labor, Artist may apply to the City for reimbursement of those expenses, which City may award in its sole discretion.

20. Artist's Default; Remedies

a. Each of the following shall constitute an event of default (“Event of Default”) under this Agreement:

City’s remedies include the right to terminate this Agreement upon written notice to Artist (setting forth with specificity the basis for the Commission's termination), or to seek specific performance of all or any part of this Agreement. Upon termination by the Commission, this Agreement shall be of no further force or effect. The date of termination shall be 5 calendar days from the Commission's dispatch of notice of termination, unless a later termination date is specified in the notice of termination. The Commission may rescind the notice of termination or extend the date for termination, but no rescission or extension is valid unless it is in writing and approved by resolution of the Commission.

c. Opportunity to Cure: In its sole discretion, the Commission may give Artist a grace period and opportunity to cure any default. Such grace period may be up to 35 calendar days after dispatch of written notice from the Commission setting forth the nature of the default and the requirements to cure.

d. No Obligation to Pay: Except as specifically provided in this Agreement, City shall have absolutely no payment or other obligations to Artist for any work or service completed, begun or contemplated by Artist subsequent to termination of this Agreement for any reason.

e. These remedies are in addition to all other remedies available to either party under this Agreement or under applicable federal, state or local laws should the other party fail to comply with the terms of this Agreement.

21. Termination for Convenience

a. City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Artist written notice of termination. The notice shall specify the date on which termination shall become effective. As described below in subsection c., City shall pay Artist for services rendered prior to the date of termination.

b. Upon receipt of the notice, Artist shall commence and perform, with diligence, all actions necessary on the part of Artist to effect the termination of this Agreement on the date specified by City and to minimize the liability of Artist and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation:

1) Halting the performance of all services and other work under this Agreement on the date(s) and in the manner specified by City.

2) Not placing any further orders or subcontracts for materials, services, equipment or other items.

3) Terminating all existing orders and subcontracts.

(7) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Artist and in which City has or may acquire an interest.

c. Within 30 days after the specified termination date, Artist shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(1) The reasonable cost to Artist, without profit, for all services and other work City directed Artist to perform prior to the specified termination date, for which services or work City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Artist’s direct costs for services or other work. Any overhead allowance shall be separately itemized. Artist may also recover the reasonable cost of preparing the invoice.

(2) A reasonable allowance for profit on the cost of the services and other work described in the immediately preceding subsection (1), provided that City can establish, to the satisfaction of City, that Artist would have made a profit had all services and other work under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(3) The reasonable cost to Artist of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

(4) A deduction for the cost of materials to be retained by Artist, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the services or other work.

d. In no event shall City be liable for costs incurred by Artist or any of its subcontractors after the termination date specified by City, except for those costs specifically enumerated and described in the immediately preceding subsection (c). Such non-recoverable costs include, but are not limited to, anticipated profits on this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys’ fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under such subsection (c).

e. In arriving at the amount due to Artist under this Section, City may deduct: (1) all payments previously made by City for work or other services covered by Artist’s final invoice; (2) any claim which City may have against Artist in connection with this Agreement; (3) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection (d); and (4) in instances in which, in the opinion of the City, the cost of any service or other work performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected services or other work, the difference between the invoiced amount and City’s estimate of the reasonable cost of performing the invoiced services or other work in compliance with the requirements of this Agreement.

f. City’s payment obligation under this Section shall survive termination of this Agreement.
22. Rights and Duties Upon Termination or Expiration

If the Commission terminates this Agreement for any reason, City shall be automatically vested with title to any Work produced under this Agreement up to the date of termination. Artist shall deliver any such Work to City in the manner, at the times, and to the extent directed by City. If termination is due to the default of Artist, City may, at its option, require Artist to refund to City any interim payments received under the Agreement; in such case, City may transfer title to the Work to Artist. completed or partially completed work which, if this Agreement had been completed, would have been required to be furnished to City. This subsection shall survive termination of this Agreement.

22A. Artist’s/Contractor’s Warranties

a. Warranty of Title. Artist represents and warrants that Artist is the sole author of the Artwork and that Artist is the sole owner of any and all copyrights pertaining to the Artwork. Artist further represents that the Artwork is free and clear of any liens and that there are no outstanding disputes in connection with property rights, intellectual property rights or any other rights in the Artwork or any parts of the Artwork.

b. Warranty of Workmanship. Artist/Contractor represents and warrants that, for a period of three years after final acceptance, the Work will be free of defects in workmanship or materials, including Inherent Defects (as defined below), and that the Work will be executed in permanent, non-fugitive materials that will not tend to degrade or fade over long-term installation at the Site. “Inherent Defect” refers to a quality within the material or materials, which comprise the Work which, either alone or in combination, results in the tendency of the Work to destroy itself. “Inherent Defect” does not include any tendency to deteriorate that is specifically identified in the Contract Documents approved by the Commission. Artist shall, at Artist’s sole cost and expense, remedy any defects in workmanship or materials that appear within a period of one year from the date of final acceptance of the Artwork by City.

c. Warranty of Public Safety. Artist represents and warrants that the Work will not pose a danger to public health or safety in view of the possibility of misuse, if such misuse is in a manner that was reasonably foreseeable at any time during the term of this Agreement.

d. Warranty of Acceptable Standard of Display and Operation. Artist represents and warrants that:

(1) The Artwork will conform with design specifications and, where Artwork involves electronic, digital, video, mechanical, living, variable, moving or other dynamic components, the Artwork will also operate, function or perform in accordance with Artist’s representations to the City without any costs beyond the final Budget for the Artwork or any additional staff assistance.

(2) Occasional or minimal cleaning and repair of the Artwork and any associated working parts and/or equipment will maintain the Work within an acceptable standard of public display;

(3) Foreseeable exposure to the elements and general wear and tear will cause the Work to experience only minor repairable damages and will not cause the Work to fall below an acceptable standard of public display; and

(4) With general routine cleaning and repair, and within the context of foreseeable exposure to the elements and general wear and tear, the Work will not experience irreparable conditions that do not fall within an acceptable standard of public display, including mold, rust, fracturing, staining, chipping, tearing, abrading and peeling.

e. Manufacturer’s Warranties. To the extent the Work incorporates products covered by a manufacturer’s warranty, Artist shall provide copies of such warranties to City.

22B. Instructions for Maintenance; Variable Media Guidelines; Anticipated Life Span of Artwork
Unless specifically provided in this Agreement, Artist shall not be responsible for ongoing maintenance of the Artwork. Artist shall provide the Commission and Client (<insert name of client department/agency>) with a General Maintenance Plan for the Artwork, with a detailed description of future anticipated maintenance requirements; a recommended maintenance schedule; anticipated and required care and/or replacement/upgrade of any part of the Artwork and associated moving parts or equipment including any staff time involved in displaying or operating artwork and the frequency of such staff involvement; and written instructions and manufacturer’s specifications for reasonably foreseeable maintenance and preservation activities relating to the Artwork. Artist shall also provide Commission and Client (<insert name of client department/agency>) with a description of all equipment and or machinery needed to operate the project (if applicable) and any anticipated or required staffing, supervision or operational needs. The Artwork shall be durable, taking into consideration that the Site is an unsecured public space that may be exposed to elements such as weather, temperature variation, and considerable movement of people and equipment. Artist shall ensure that all maintenance requirements will be reasonable in terms of time and expense.

With respect to Artwork involving or incorporating electronic, digital, video, mechanical, living, variable, moving or other dynamic components (“Variable Media”), the Artist shall also provide the Commission with a written recommendations for translating the Artwork into new media or replacing elements of the Artwork in the event that the original medium, components and/or the Artist’s installation plan become obsolete (“Variable Media Guidelines.”). Although the City is not required to comply with such Variable Media Guidelines, the City may take such Guidelines into account when maintaining the Artwork or trying to preserve the integrity of the Artwork.

Although City strives to maintain the Civic Art Collection in good repair and condition, City is not required by this Agreement to maintain the Artwork to any particular standard. City may determine to allow the Artwork to deteriorate in accordance with the Artwork’s temporary life span, if deemed appropriate by City or if City lacks sufficient funds for required maintenance and/or conservation. If the Artwork suffers deterioration, City shall have sole discretion to determine whether to remove the Artwork from display as a result of deterioration, whether to replace any portion of the Artwork or translate any component into new media, or whether to maintain the Artwork on display despite its deteriorated condition.

The anticipated life span of the Artwork is (<insert # of years; note default is 25>) years from the date of final acceptance by the Commission. After that time, the Commission in its sole discretion may re-evaluate the Artwork to determine if it retains its identity as a work of art and, if not, whether to take appropriate action, including the possibility of destroying the Artwork. If no life span is specified above or pursuant to a subsequent contract modification, the anticipated life span of the Artwork shall be 25 years. If the Commission determines that, through decay, vandalism or other forces, the Artwork has lost its integrity to the point where it should be destroyed, the Commission shall first offer the Artwork to Artist free of charge.

22C. Artist’s Moral Rights; City’s Ownership Rights

a. The Commission, having expended considerable public funds to commission the Artwork, and pursuant to its Charter responsibilities, intends to display the Artwork at the Site as originally created by Artist and to maintain the Artwork in good condition. Public artworks commissioned by the Commission are sometimes integrated into their site, such that they become an integral, permanent and site-specific part of the building’s architecture or landscaped environment and removal of the artwork would result in significant changes to the artwork and the building’s architecture. City, however, shall preserve complete flexibility to operate and manage City property in the public’s interest. Therefore, City retains the absolute right to Alter the Artwork in City’s sole judgment. For example, City may Alter the Artwork to eliminate hazard, to comply with the ADA, to otherwise aid City in the management of its property and affairs, or through neglect or accident. If, during or after the term of this Agreement, City finds the Site to
be inappropriate, City has the right to install the Artwork at an alternate location that City chooses in its sole discretion. If the Artwork is free-standing such that it can be removed without significant damage to the Artwork or the Site, and if the Commission authorizes the removal of the Artwork, the Commission shall take reasonable precautions to minimize Alteration of the Artwork during removal.

b. With respect to the Artwork produced under this Agreement, and in consideration of the procedures and remedies specified in this Agreement, Artist waives any and all claims, arising at any time and under any circumstances, against City, its officers, agents, employees, successors and assigns, arising under the federal Visual Artists Rights Act (17 U.S.C. §§106A and 113(d)), the California Art Preservation Act (Cal. Civil Code §§987 et seq.), and any other local, state, federal or international laws that convey rights of the same nature as those conveyed under 17 U.S.C. §106A, Cal. Civil Code §§987 et seq., or any other type of moral right protecting the integrity of works of art. If the Artwork is incorporated into a building such that the Artwork cannot be removed from the building without Alteration of the Artwork, Artist waives any and all such claims against any future owners of the Site, and its agents, officers and employees, for Alteration of the Artwork.

c. If City intends to take any action with respect to the Site or the Artwork that would Alter the Artwork, other than routine cleaning and maintenance, the following procedures shall apply:

(1) Notice. Where time permits, Commission shall make reasonable good faith efforts to notify Artist at least 20 calendar days prior to authorizing any Alteration of the Artwork, at the last phone number or address provided by Artist to the Commission’s Collections Manager. Where time does not permit prior to Alteration of the Artwork – for example, in cases of public hazard, accident or unauthorized Alteration – Commission shall notify Artist within 30 calendar days after such Alteration.

(2) Consultation. After receiving such notice, Artist shall consult with City to determine whether the Artwork can be restored or relocated, and to attempt to come to a mutually agreeable plan for disposition of the Artwork. Such consultation shall be without charge by Artist unless otherwise specifically agreed in writing. If City intends to remove the Artwork, Artist shall consult regarding methods to minimize or repair any Alteration to the Artwork caused by such removal and the potential costs of such removal.

(3) Restoration. If the Artwork is Altered, with or without prior notice to Artist, and City intends to maintain the Artwork on display, City shall make a reasonable good faith effort to engage Artist in the restoration of the Artwork and to compensate Artist for Artist’s time and efforts at fair market value, which may be the subject of a future Agreement between Artist and City. However, City has no obligation under this Agreement to restore the Artwork to its original condition, to compensate Artist for any restoration work, or to maintain the Artwork on display. If Artist fails or refuses to negotiate with City in good faith with respect to any restoration, City may contract with any other qualified art conservator for such restoration. During Artist’s lifetime, City shall make best efforts not to display or deaccession only a portion of the Artwork without Artist’s consent.

(4) Removal by Artist. Where time permits, if City intends to take action that will destroy or significantly Alter the Artwork, such as destruction of all or part of the Site, and City determines that it will not remove the Artwork itself, City shall allow Artist to remove the Artwork at Artist’s expense within 60 days of notice from the City of the need to remove the Artwork, in which case title shall revert to Artist. If Artist fails to remove the Artwork within that 60 day period, City may Alter the Artwork in any manner, including destroying it, in City’s sole discretion.

(5) Remedies. If City breaches any of its obligations under this Section, Artist’s remedies shall be limited as follows: If City inadvertently fails to provide a required prior notice of Alteration, City will provide notice as soon as it discovers the omission, and before Alteration of the Artwork if that remains possible. If City Alters the Artwork without providing Artist a required prior notice of Alteration, Artist shall be given the first right of refusal to restore the Artwork at the same location and City shall make
reasonable efforts to provide funding for the restoration. If City funds cannot be made available after reasonable efforts are made to secure such funding, Artist may, but is not obligated to, restore the Artwork at Artist’s expense. If Artist elects not to restore the Artwork, City may retain another artist or conservator to restore it, or may Alter the Artwork in any manner, at City’s sole discretion.

d. If City Alters the Artwork without Artist’s consent in a manner that is prejudicial to Artist’s reputation, Artist retains the right to disclaim authorship of the Artwork in accordance with California Civil Code §987(d) and 17 U.S.C. §106A(a)(2).

e. Except as provided in this Agreement, with respect to third parties who are not officers, employees, agents, successors or assigns of City, Artist retains Artist’s moral rights in the Artwork, as established in the Visual Artists Rights Act (17 U.S.C. §§106A and 113(d)), the California Art Preservation Act (Cal. Civil Code §§987 and 989), or any other local, state, federal or international moral rights laws that protect the integrity of works of art. Accordingly, nothing herein shall prevent Artist from pursuing a claim for Alteration of the Artwork against a third party who is not an officer, employee, agent, successor or assign of City. City has no obligation to pursue claims against third parties to remedy or prevent Alteration of the Artwork. However, as owner of the Artwork, City may pursue claims against third parties for damages or to restore the Artwork if the Artwork has been altered without City’s authorization.

23. Conflict of Interest

Through its execution of this Agreement, Artist acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

24. Proprietary or Confidential Information of City

Contractor understands and agrees that, in the performance of the work or services under this Agreement or in contemplation thereof, Contractor may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. Contractor agrees that all information disclosed by City to Contractor shall be held in confidence and used only in performance of the Agreement. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

27A. Intellectual Property and Publicity Rights

a. Copyright. Subject to usage rights and licenses granted to City hereunder, Artist shall retain all 17 U.S.C. §106 copyrights in all original works of authorship produced under this Agreement. Artist’s copyright shall not extend to predominantly utilitarian aspects of the Work, such as landscaping elements, furnishings, or other similar objects. If Artist is comprised of two or more individual persons, the individual persons shall be deemed joint authors of the Work.

b. City’s Intellectual Property License. Artist grants to City, and to City’s agents, authorized contractors and assigns, an unlimited, non-exclusive and irrevocable license to do the following with respect to the Work, the Artwork, and any original works of authorship created under this Agreement, whether in whole or in part, in all media (including electronic and digital) throughout the universe:

(1) Implementation, Use and Display. City may use and display the Work (to the extent the Work includes graphic representations or models) and the Artwork. To the extent the Work involves design elements that are incorporated by City into the design of the Site, City may implement such elements at the Site.

(2) Reproduction and Distribution. City may make and distribute, and authorize the making, display and distribution of, photographs and other 2-dimensional reproductions. City may use such reproductions for any City-related purpose, including advertising, educational and promotional materials, brochures, books, flyers, postcards, print, broadcast, film, electronic and multimedia publicity, gifts for the Commission benefactors, documentation of City’s Civic Art Collection, and catalogues or similar publications. City shall ensure that such reproductions are made in a professional and tasteful manner, in
the sole and reasonable judgment of the Commission. The proceeds from the sale of any such reproductions shall be used to maintain and support City’s Civic Art Collection or for any other public purposes that City deems appropriate. The license granted hereunder does not include the right to create 3-dimensional reproductions on items such as tote-bags, T-shirts, coffee mugs and similar merchandise. Such reproductions may only be created pursuant to separate license agreements with Artist.

(3) Public Records Requests. Any documents provided by Artist to City are public records and City may authorize third parties to review and reproduce such documents pursuant to public records laws, including the San Francisco Sunshine Ordinance and California Public Records Act.

c. Third Party Infringement. The Commission is not responsible for any third party infringement of Artist’s copyright and not responsible for protecting the intellectual property rights of Artist.

d. Credit. Artist hereby agrees that all formal references to the Artwork and any reproductions of the Artwork in any form shall include the following credit: “Collection of the City and County of San Francisco, San Francisco Arts Commission.” City shall credit Artist for the Artwork upon publication of any two dimensional reproductions of the Artwork. Wherever the City finds practicable, the City shall make an effort to ensure that all reproductions by City shall contain a copyright notice substantially in the following form: “Copyright (c), Artist’s name, date,” in such a manner and location as shall comply with the U.S. Copyright laws.

e. Publicity. City shall have the right to use Artist’s name, likeness, and biographical information, in connection with the display or reproduction and distribution of the Artwork including all advertising and promotional materials regarding City or the Commission. Artist shall be reasonably available to attend any inauguration or presentation ceremonies relating to the public dedication of the Artwork.

f. Trademark. In the event that City’s use of the Artwork creates trademark, service mark or trade dress rights in connection with the Artwork, City shall have an exclusive and irrevocable right in such trademark, service mark, or trade dress.

g. Unique. Artist warrants that the design of the Artwork as expressed in the Proposal is an edition of one, and that neither Artist nor Artist’s agents will execute or authorize another to execute another work of the same or substantially similar image, design, dimensions and materials as the Artwork. Artist may create works that utilize or incorporate various individual art elements that comprise the Artwork, so long as the work utilizing or incorporating such individual elements (1) does not consist predominantly of such elements (2) is not the same or substantially similar in image, design, dimensions and materials as the Artwork, and (3) is not displayed in an environment that is the same or substantially similar to the environment in which the Artwork is to be displayed at the Site. This warranty shall continue in effect for a period consisting of the life of Artist plus 70 years or for the duration of the Artwork’s copyright protected status, whichever is longer, and shall be binding on Artist and Artist’s heirs and assigns. In the case where Artist Team is comprised of two or more individual persons or a group of people, the measuring life shall be the life of the last surviving individual person comprising Artist Team. Recognizing that City has no adequate remedy at law for Artist’s violation of this warranty, Artist agrees that, in the event Artist breaches this warranty, City shall be entitled to enjoin Artist’s breach. Nothing hereunder shall be construed to constrain Artist from creating posters, note cards, or other reproductions of the Artwork with appropriate credit to the Commission.

h. Resale Royalty. If City sells the Artwork as a fixture to real property, and if the resale value of the Artwork is not itemized separately from the value of the real property, the parties agree that the resale price of the Artwork shall be presumed to be less than the purchase price paid by City under this Agreement. Thus, City has no obligation to pay resale royalties pursuant to California Civil Code §986 or any other law requiring the payment of resale royalties. If City sells the Artwork as an individual piece,
separate from or itemized as part of a real property transaction, City shall pay to Artist a resale royalty to the extent required by law, based upon the sale price of the Artwork.

28. Audit and Inspection of Records; Reports

a. Audit and Inspection of Records. Artist agrees to maintain and make available to City, during regular business hours, accurate books and accounting records relating to its work under this Agreement. Artist will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Artist shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any federal agency having an interest in the subject matter of this Agreement shall have the same rights conferred upon City by this Section.

b. Records. Artist shall submit written reports as requested by the Commission. The Commission shall determine the format for the content of such reports. The timely submission of all reports is a necessary and material term and condition of this Agreement. The reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages to the maximum extent possible.

28A. City Access to Artwork/Work and Inspection; Status Reports; Artist/Contractor Availability

a. City Access to Artwork; Inspection of Work and Artwork. City shall have the right to inspect the Work, including the Artwork, at the Site during any phase of the project at any time. c. Documentation of Subcontracts. Artist shall provide a description of the Work to be performed under any subcontract and the amount of the subcontract, and shall provide the Commission with written copies of Artist’s agreements with each subcontractor. Artist shall include a statement in the subcontract requiring that the subcontractor shall comply with all Agreement requirements applicable to the Artist, including compliance with applicable Federal, State and local laws, including any City contracting requirements applicable to the Artist.

d. Fabrication and Installation Subcontracts. In addition, if the Artist is a licensed contractor and plans to subcontract the fabrication or installation of any portion of the work under this Agreement, the City must grant prior approval of such contractors and the Artist shall require such subcontractors to:

1. Name the City and County of San Francisco as a third-party beneficiary to the subcontract by expressly stating that “the parties agree that the City and County of San Francisco shall be a third-party beneficiary to this agreement” and Artist shall provide the City with a copy of each such subcontract.

3. The Subcontractor shall agree to indemnify and hold harmless the City and County of San Francisco (consistent with the “Indemnification and General Liability” provisions contained herein as Section 16.)

In the event of Artist or any of Artist’s subcontractors’ failure to perform, Artist shall assign all rights under any Performance and Payment or Labor and Materials bond in favor of City.

5. Subcontractor shall certify that he or she has all applicable licenses required by the State for subcontractor to perform the fabrication or installation work specified in the subcontract and that subcontractor warrants that such licenses are valid for the full term of this Agreement and during the period in which the subcontractor performed fabrication and installation work under this Agreement.

Important note: If Artist is not a licensed contractor, Artist shall not be able to subcontract with licensed contractors for fabrication and/or installation of the Artwork or any portion of the Artwork under this Agreement.

29A. Prevailing Wages.

If the fabrication and/or installation of any Work under this Agreement is a "Public Work" as defined by San Francisco Administrative Code Section 6.1(I), and Artist plans to subcontract all or any part of the fabrication and/or installation of any Work under this Agreement, Artist agrees to pay to all persons performing labor in the fabrication and/or installation of the of the Work not less than the highest general prevailing rate of wages, as such prevailing wages are established according to Section 6.22(E) of the San

Artist shall provide, and shall require any subcontractor to provide, upon request, certified payroll reports with respect to all persons performing labor in the fabrication and/or installation of the Work.

30. **Assignment or Transfer**

Artist guarantees that Artist will consistently give personal attention to the faithful execution of this Agreement, including any work performed by employees, agents or subcontractors. Artist shall keep the Work under Artist’s control and shall not assign or subcontract the Work, in whole or in part, except as provided in this Agreement. All transactions with subcontractors shall be made through Artist, and no subcontract, assignment or other transfer by Artist Team shall relieve Artist of any of Artist’s liability or obligations under this Agreement.

31. **Non-waiver of Rights**

The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions thereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

32. **Consideration of Criminal History in Hiring and Employment Decisions.**

a. Contractor agrees to comply fully with and be bound by all of the provisions of Chapter 12T “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some Contractor’s obligations under Chapter 12T is set forth in this Section. Contractor is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Contractor’s willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Contractor’s obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. Contractor further agrees, within ten working days following receipt of payment from the City, to file the HRC Payment Affidavit with the Controller, under penalty of perjury, that the Contractor has paid all subcontractors. 41. Public Access to Meetings and Records

If the Artist receives a cumulative total per year of at least $250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, Artist shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, the Artist agrees to open its meetings and records to the public in the manner set forth in §§12L.4 and 12L.5 of the Administrative Code. Artist further agrees to make good faith efforts to promote community membership on its Board of Directors in the manner set forth in §12L.6 of the Administrative Code. The Artist acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. The Artist further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

42. Limitations on Contributions

Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the City’s Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of $50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor’s board of directors; Contractor’s chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Contractor further agrees to provide to City the names of each person, entity or committee described above.

43. Requiring Minimum Compensation for Employees

a. Artist (hereinafter referred to as "Contractor" in this section) agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Sections 12P.5 and 12P.5.1 of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of
the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Contractor's obligations under the MCO is set forth in this Section. Contractor is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

b. The MCO requires Contractor to pay Contractor's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Contractor is obligated to keep informed of the then-current requirements. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Contractor's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Contractor.

c. Contractor shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

d. Contractor shall maintain employee and payroll records as required by the MCO. If Contractor fails to do so, it shall be presumed that the Contractor paid no more than the minimum wage required under State law.

e. The City is authorized to inspect Contractor's job sites and conduct interviews with employees and conduct audits of Contractor.

f. Contractor's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Contractor fails to comply with these requirements. Contractor agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Contractor's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

g. Contractor understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

h. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

i. If Contractor is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than $25,000, but Contractor later enters into an agreement or agreements that cause contractor to exceed that amount in a fiscal year, Contractor shall thereafter be required to comply with the MCO under this Agreement. This
obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Contractor and this department to exceed $25,000 in the fiscal year.

44. Requiring Health Benefits for Covered Employees

Unless exempt, Artist agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of section 12Q.5.1of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

a. For each Covered Employee, Artist shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Artist chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

b. Notwithstanding the above, if the Artist is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

c. Artist’s failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Artist if such a breach has occurred. If, within 30 days after receiving City’s written notice of a breach of this Agreement for violating the HCAO, Artist fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Artist fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

d. Any Subcontract entered into by Artist shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Artist shall notify City’s Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Artist shall be responsible for its Subcontractors’ compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Artist based on the Subcontractor’s failure to comply, provided that City has first provided Artist with notice and an opportunity to obtain a cure of the violation.

e. Artist shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Artist’s noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

f. Artist represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

g. Artist shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

h. Artist shall keep itself informed of the current requirements of the HCAO.
i. Artist shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

j. Artist shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

k. Artist shall allow City to inspect Artist’s job sites and have access to Artist’s employees in order to monitor and determine compliance with HCAO.

l. City may conduct random audits of Artist to ascertain its compliance with HCAO. Artist agrees to cooperate with City when it conducts such audits.

m. If Artist is exempt from the HCAO when this Agreement is executed because its amount is less than $25,000 ($50,000 for nonprofits), but Artist later enters into an agreement or agreements that cause Artist’s aggregate amount of all agreements with City to reach $75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Artist and the City to be equal to or greater than $75,000 in the fiscal year.

<<IF THE CONTRACT AMOUNT IS MORE THAN $50,000 INSERT THE FOLLOWING SECTION, IF THE CONTRACT AMOUNT IS EQUAL TO OR LESS THAN $50,000, PARAGRAPH #45 SHOULD READ “LEFT BLANK BY AGREEMENT OF THE PARTIES.”>>

45. First Source Hiring Program

a. Incorporation of Administrative Code Provisions by Reference

The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

b. First Source Hiring Agreement

As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:

(1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.
(2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

(3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.

(4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.

(5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.

(6) Set the term of the requirements.

(7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.

(8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.

(9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.

c. Hiring Decisions
Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

d. Exceptions

Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

e. Liquidated Damages

Contractor agrees:

1. To be liable to the City for liquidated damages as provided in this section;

2. To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;

3. That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to $5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

4. That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to $10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

5. That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

A. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of $348 per month, totaling approximately $14,379; and

B. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year;
therefore, liquidated damages that total $5,000 for first violations and $10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

(7) That in the event the City is the prevailing party in a civil action to recover liquidated damages for breach of a contract provision required by this Chapter, the contractor will be liable for the City’s costs and reasonable attorneys fees.

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of $5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

f. Subcontracts

Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

46. Prohibition on Political Activity with City Funds

In accordance with San Francisco Administrative Code Chapter 12.G, Artist may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, “Political Activity”) in the performance of the services provided under this Agreement. Artist agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City’s Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event Artist violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit Artist from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider Artist’s use of profit as a violation of this section.

47. Preservative-treated Wood Containing Arsenic

Artist may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Artist may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Artist from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

48. Modification of Agreement
This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement. <<[If the contract amount is $50,000 or more, then add the following sentence:]>> Contractor shall cooperate with Department to submit to the Director of HRC any amendment, modification, supplement or change order that would result in a cumulative increase of the original amount of this Agreement by more than 20%.

(A). INTERNAL CLARIFICATIONS TO PROPOSAL AND SCOPE OF SERVICES.

NOTWITHSTANDING THE ABOVE PROVISION REGARDING AGREEMENT MODIFICATIONS, THE COMMISSION AND ARTIST, BY MUTUAL WRITTEN AGREEMENT SIGNED BY BOTH PARTIES, MAY CLARIFY THE APPENDIX A ("ARTISTS PROPOSAL") AND/OR APPENDIX B ("SERVICES TO BE PROVIDED BY ARTIST"), BY FURTHER OUTLINING, CORRECTING, CLARIFYING AND REFINING THE SUBSTANCE OF EACH OF THE PHASES I THROUGH V, INCLUDING THE DATE(S) OF DELIVERABLES (INCLUDING MODIFYING OR CHANGING THE ORDER OF THE DUE DATE(S) FOR DELIVERABLES), THE COSTS ASSOCIATED WITH EACH PHASE AND THE PAYMENT SCHEDULE. SUCH CHANGES SHALL BE KEPT ON FILE AT THE ARTS COMMISSION. BUT SUCH CLARIFICATIONS SHALL NOT ALTER THE TOTAL MAXIMUM TERM OR MAXIMUM COMPENSATION ALLOWED IN SECTION 2 (TERM OF THE AGREEMENT) AND SECTION 5 (COMPENSATION), RESPECTIVELY.

49. Administrative Remedy for Agreement Interpretation

Should any question arise as to the meaning and intent of this Agreement, the question shall, prior to any other action or resort to any other legal remedy, be referred to Purchasing who shall decide the true meaning and intent of the Agreement.

50. Agreement Made in California; Venue

The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California. Venue for all litigation relative to the formation, interpretation and performance of this Agreement shall be in San Francisco.

51. Construction

All paragraph captions are for reference only and shall not be considered in construing this Agreement.

52. Entire Agreement

This contract sets forth the entire Agreement between the parties, and supersedes all other oral or written provisions. This contract may be modified only as provided in Section 48 (Modification of Agreement).

53. Compliance with Laws

Artist shall keep itself fully informed of the City’s Charter, codes, ordinances and regulations of the City and of all state, and federal laws in any manner affecting the performance of this Agreement, and shall at all times comply with such local codes, ordinances, and regulations and all applicable laws as they may be amended from time to time.

54. Services Provided by Attorneys
Any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. No invoices for services provided by law firms or attorneys, including, without limitation, as subcontractors of Artist, will be paid unless the provider received advance written approval from the City Attorney.

<<[If the contract will involve contractor or subcontractors providing services involving direct supervision of minors, Supervision includes oversight responsibilities at City parks, playgrounds, recreational centers or beaches. Otherwise, §55 (Supervision of Minors) should read "Left Blank by Agreement of the Parties." ]>>

55. Supervision of Minors

Artist, and any subcontractors, shall comply with California Penal Code section 11105.3 and request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in Welfare and Institution Code section 15660(a) of any person who applies for employment or volunteer position with Artist, or any subcontractor, in which he or she would have supervisory or disciplinary power over a minor under his or her care.

If Artist, or any subcontractor, is providing services at a City park, playground, recreational center or beach (separately and collectively, “Recreational Site”), Artist shall not hire, and shall prevent its subcontractors from hiring, any person for employment or volunteer position to provide those services if that person has been convicted of any offense that was listed in former Penal Code section 11105.3(h)(1) or 11105.3(h)(3).

If Artist, or any of its subcontractors, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an offense specified in Penal Code section 11105.3(c), then Artist shall comply, and cause its subcontractors to comply with that section and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Artist shall provide, or cause its subcontractors to provide City with a copy of any such notice at the same time that it provides notice to any parent or guardian.

Artist shall expressly require any of its subcontractors with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its contract with the subcontractor.

Artist acknowledges and agrees that failure by Artist or any of its subcontractors to comply with any provision of this section of the Agreement shall constitute an Event of Default. Artist further acknowledges and agrees that such Event of Default shall be grounds for the City to terminate the Agreement, partially or in its entirety, to recover from Artist any amounts paid under this Agreement, and to withhold any future payments to Artist. The remedies provided in this Section shall not limit any other remedy available to the City hereunder, or in equity or law for an Event of Default, and each remedy may be exercised individually or in combination with any other available remedy. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

56. Severability

Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (b) such provision shall be
enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.

57. Protection of Private Information

Contractor has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, “Nondisclosure of Private Information,” and 12M.3, “Enforcement” of Administrative Code Chapter 12M, “Protection of Private Information,” which are incorporated herein as if fully set forth. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

58. Graffiti Removal

Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti shall be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Contractor shall remove all graffiti from any real property owned or leased by Contractor in the City and County of San Francisco within forty eight (48) hours of the earlier of Contractor's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Contractor to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

Any failure of Contractor to comply with this section of this Agreement shall constitute an Event of Default of this Agreement.

59. Food Service Waste Reduction Requirements

Contractor agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Contractor agrees that if
it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Contractor agrees that the sum of one hundred dollars ($100) liquidated damages for the first breach, two hundred dollars ($200) liquidated damages for the second breach in the same year, and five hundred dollars ($500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Contractor’s failure to comply with this provision.

60. **Slavery Era Disclosure**

   a. Contractor acknowledges that this contract shall not be binding upon the City until the Director receives the affidavit required by the San Francisco Administrative Code’s Chapter 12Y, “San Francisco Slavery Era Disclosure Ordinance.”

   b. In the event the Director finds that Contractor has failed to file an affidavit as required by Section 12Y.4(a) and this Contract, or has willfully filed a false affidavit, the Contractor shall be liable for liquidated damages in an amount equal to the Contractor’s net profit on the Contract, 10 percent of the total amount of the Contract, or $1,000, whichever is greatest as determined by the Director. Contractor acknowledges and agrees that the liquidated damages assessed shall be payable to the City upon demand and may be set off against any monies due to the Contractor from any Contract with the City.

   c. Contractor shall maintain records necessary for monitoring their compliance with this provision.

61. **Cooperative Drafting.** This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

62. **Dispute Resolution Procedure**

   A Dispute Resolution Procedure is attached under the Appendix [enter the appendix letter] to address issues that have not been resolved administratively by other departmental remedies.

By signing this Agreement, I certify that I comply with the requirements of the Minimum Compensation Ordinance, which entitle Covered Employees to certain minimum hourly wages and compensated and uncompensated time off.

I have read and understood paragraph 35, the City’s statement urging companies doing business in Northern Ireland to move towards resolving employment inequities, encouraging compliance with the MacBride Principles, and urging San Francisco companies to do business with corporations that abide by the MacBride Principles.
