2.2 The City has 3 [or insert different number of options] options to renew the Agreement for a period of up to 2 years [or insert other time span] each, provided that such

The City may extend this Agreement beyond the expiration date by exercising an option at the City's sole and absolute discretion and by modifying this Agreement as provided in Section 11.5, "Modification of this Agreement."

Article 3 Financial Matters

3.1 Certification of Funds; Budget and Fiscal Provisions; Termination in the Event of Non-Appropriation. This Agreement is subject to the budget and fiscal provisions of the City's Charter. Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.2 Guaranteed Maximum Costs. The City's payment obligation to Contractor cannot at any time exceed the amount certified by City's Controller for the purpose and period stated in such certification. Absent an authorized Emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, "Modification of this Agreement."

3.3 Compensation.

3.3.1 Payment. Contractor shall provide an invoice to the City on a monthly basis for Services completed in the immediate preceding month, unless a different schedule is set out in Appendix E, "Payment Breakdown and Schedule." Compensation shall be made for Services identified in the invoice that the Director of Cultural Affairs, in his or her sole discretion, concludes has been satisfactorily performed. Payment shall be made within 30 calendar days of receipt of the invoice, unless the City notifies the Contractor that a dispute as to the invoice exists. In no event shall the amount of this Agreement exceed [insert whole dollar amount in numbers and words -- no pennies and no ".00"]. The breakdown of charges associated with this Agreement appears in Appendix E, "Payment Breakdown and Schedule," attached hereto and incorporated by reference as though fully set forth herein. A portion of payment may be withheld until conclusion of the Agreement if agreed to by both parties as retainage, described in Appendix E. In no event shall City be liable for interest or late charges for any late payments.

3.3.2 Payment Limited to Satisfactory Services. Contractor is not entitled to any payments from City until the Arts Commission approves Services, including any furnished Deliverables, as satisfying all of the requirements of this Agreement. Payments to Contractor by City shall not excuse Contractor from its obligation to replace unsatisfactory Deliverables, including equipment, components, materials, or Services even if the unsatisfactory character of

such Deliverables, equipment, components, materials, or Services may not have been apparent or detected at the time such payment was made. Deliverables, equipment, components, materials and Services that do not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Contractor without delay at no cost to the City.

3.3.3 Withhold Payments. If Contractor fails to provide Services in accordance with Contractor's obligations under this Agreement, the City may withhold any and all payments due Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

3.3.4 Invoice Format. Invoices furnished by Contractor under this Agreement must be in a form acceptable to the Controller and City, and must include a unique invoice number. Payment shall be made by City as specified in 3.3.6 or in such alternate manner as the Parties have mutually agreed upon in writing.

3.3.5 LBE Payment and Utilization Tracking System. Contractor must submit all required payment information using the City's Financial System as required by CMD to enable the City to monitor Contractor's compliance with the LBE subcontracting commitments in this Agreement. Contractor shall pay its LBE subcontractors within three working days after receiving payment from the City, except as otherwise authorized by the LBE Ordinance. The Controller is not authorized to pay invoices submitted by Contractor prior to Contractor's submission of all required CMD payment information. Failure to submit all required payment information to the City's Financial System with each payment request may result in the Controller withholding 20% of the payment due pursuant to that invoice until the required payment information is provided. Following City's payment of an invoice, Contractor has ten calendar days to acknowledge using the City's Financial System that all subcontractors have been paid. Self-Service Training for suppliers is located at this link: <https://sfcitypartner.sfgov.org/Training/TrainingGuide>.

3.3.6 Getting paid by the City for goods and/or services.

(a) All City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach.

(b) The following information is required to sign up: (i) The enroller must be their company's authorized financial representative, (ii) the company's legal name, main telephone number and all physical and remittance addresses used by the company, (iii) the company's U.S. federal employer identification number (EIN) or Social Security number (if they are a sole proprietor), and (iv) the company's bank account information, including routing and account numbers.

3.3.7 Grant Funded Contracts.

(a) **Disallowance.** If Contractor requests or receives payment from City for Services, reimbursement for which is later disallowed by the State of California or United States Government, Contractor shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset the amount disallowed from any payment due or to become due to Contractor under this Agreement or any other agreement between Contractor and City.

(b) **Grant Terms.** The funding for this Agreement is provided in full or in part by a Federal or State Grant to the City. As part of the terms of receiving the funds, the

City is required to incorporate some of the terms into this Agreement. The incorporated terms may be found in Appendix [choose C/D/E etc.], "Grant Terms." To the extent that any Grant Term is inconsistent with any other provisions of this Agreement such that Contractor is unable to comply with both the Grant Term and the other provision(s), the Grant Term shall apply.

(c) Contractor shall insert each Grant Term into each lower tier subcontract. Contractor is responsible for compliance with the Grant Terms by any subcontractor, lower-tier subcontractor or service provider.

3.4 Audit and Inspection of Records. Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.5 Submitting False Claims. The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any contractor or subcontractor who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor or subcontractor will be deemed to have submitted a false claim to the City if the contractor or subcontractor: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

3.6 Payment of Prevailing Wages

3.6.1 Covered Services. Services to be performed by Contractor under this Agreement may involve the performance of trade work covered by the provisions of Section 6.22(e) [Prevailing Wages] of the Administrative Code or Section 21C [Miscellaneous Prevailing Wage Requirements] (collectively, "Covered Services"). The provisions of Section 6.22(e) and 21C of the Administrative Code are incorporated as provisions of this Agreement as if fully set forth herein and will apply to any Covered Services performed by Contractor and its subcontractors.

3.6.2 Wage Rates. The latest prevailing wage rates for private employment on public contracts as determined by the San Francisco Board of Supervisors and the Director of the California Department of Industrial Relations, as such prevailing wage rates may be changed during the term of this Agreement, are hereby incorporated as provisions of this Agreement. Copies of the prevailing wage rates as fixed and determined by the Board of Supervisors are

available from the Office of Labor Standards and Enforcement (“OLSE”) and on the Internet at <http://www.dir.ca.gov/DLSR/PWD> and <http://sfgov.org/olse/prevailing-wage>. Contractor agrees that it shall pay not less than the prevailing wage rates, as fixed and determined by the Board, to all workers employed by Contractor who perform Covered Services under this Agreement.

3.6.3 Subcontract Requirements. As required by Section 6.22(e)(5) of the Administrative Code, Contractor shall insert in every subcontract or other arrangement, which it may make for the performance of Covered Services under this Agreement, a provision that said subcontractor shall pay to all persons performing labor in connection with Covered Services under said subcontract or other arrangement not less than the highest general prevailing rate of wages as fixed and determined by the Board of Supervisors for such labor or services.

3.6.4 Posted Notices. As required by Section 1771.4 of the California Labor Code, Contractor shall post job site notices prescribed by the California Department of Industrial Relations ("DIR") at all job sites where services covered by Chapter 6.22 are to be performed.

3.6.5 Payroll Records. As required by Section 6.22(e)(6) of the Administrative Code and Section 1776 of the California Labor Code, Contractor shall keep or cause to be kept complete and accurate payroll records for all trade workers performing Covered Services. Such records shall include the name, address and social security number of each worker who provided Covered Services on the project, including apprentices, his or her classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every subcontractor who shall undertake the performance of any part of Covered Services shall keep a like record of each person engaged in the execution of Covered Services under the subcontract. All such records shall at all times be available for inspection of and examination by the City and its authorized representatives and the DIR.

3.6.6 Certified Payrolls. Certified payrolls shall be prepared pursuant to Administrative Code Section 6.22(e)(6) and California Labor Code Section 1776 for the period involved for all employees, including those of subcontractors, who performed labor in connection with Covered Services. Contractor and each subcontractor performing Covered Services shall submit certified payrolls to the City and to the DIR electronically. Contractor shall submit payrolls to the City via the reporting system selected by the City. The DIR will specify how to submit certified payrolls to it. The City will provide basic training in the use of the reporting system at a scheduled training session. Contractor and all subcontractors that will perform Covered Services must attend the training session. Contractor and applicable subcontractors shall comply with electronic certified payroll requirements (including training) at no additional cost to the City.

3.6.7 Compliance Monitoring. Covered Services to be performed under this Agreement are subject to compliance monitoring and enforcement of prevailing wage requirements by the DIR and /or the OLSE. Contractor and any subcontractors performing Covered Services will cooperate fully with the DIR and/or the OLSE and other City employees and agents authorized to assist in the administration and enforcement of the prevailing wage requirements, and agrees to take the specific steps and actions as required by Section 6.22(e)(7) of the Administrative Code. Steps and actions include but are not limited to requirements that: (i) the Contractor will cooperate fully with the Labor Standards Enforcement Officer and other City employees and agents authorized to assist in the administration and enforcement of the Prevailing Wage requirements and other labor standards imposed on Public Works Contractor by

the Charter and Chapter 6 of the San Francisco Administrative Code; ii) the Contractor agrees that the Labor Standards Enforcement Officer and his or her designees, in the performance of their duties, shall have the right to engage in random inspections of job sites and to have access to the employees of the Contractor, employee time sheets, inspection logs, payroll records and employee paychecks; (iii) the contractor shall maintain a sign-in and sign-out sheet showing which employees are present on the job site; (iv) the Contractor shall prominently post at each job-site a sign informing employees that the project is subject to the City's Prevailing Wage requirements and that these requirements are enforced by the Labor Standards Enforcement Officer; and (v) that the Labor Standards Enforcement Officer may audit such records of the Contractor as he or she reasonably deems necessary to determine compliance with the Prevailing Wage and other labor standards imposed by the Charter and this Chapter on Public Works Contractors. Failure to comply with these requirements may result in penalties and forfeitures consistent with analogous provisions of the California Labor Code, including Section 1776(g), as amended from time to time.

3.6.8 Remedies. Should Contractor, or any subcontractor who shall undertake the performance of any Covered Services, fail or neglect to pay to the persons who perform Covered Services under this Contract, subcontract or other arrangement for the Covered Services, the general prevailing rate of wages as herein specified, Contractor shall forfeit, and in the case of any subcontractor so failing or neglecting to pay said wage, Contractor and the subcontractor shall jointly and severally forfeit, back wages due plus the penalties set forth in Administrative Code Section 6.22 (e) and/or California Labor Code Section 1775. The City, when certifying any payment which may become due under the terms of this Agreement, shall deduct from the amount that would otherwise be due on such payment the amount of said forfeiture.

Article 4 Services and Resources

4.1 Services Contractor Agrees to Perform. Contractor agrees to perform the Services stated in Appendix C, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Services beyond the Scope of Services listed in Appendix C, unless Appendix C is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 Qualified Personnel. Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 Subcontracting.

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 City's execution of this Agreement constitutes its approval of the subcontractors listed below.

[Insert names of desired approved subcontractors here or state where the names of the subcontractors may be found elsewhere in this agreement. If Contractor is not expected to use any subcontractors and there are no CMD subcontracting goals, then state "Contractor will not employ subcontractors." instead of the text in 4.3.2 above.]

4.4 Independent Contractor; Payment of Employment Taxes and Other Expenses.

4.4.1 Independent Contractor. For the purposes of this Section 4.4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under

this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City.

Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.5 **Assignment.** The Services to be performed by Contractor are personal in character. Neither this Agreement, nor any duties or obligations hereunder, may be directly or indirectly assigned, novated, hypothecated, transferred, or delegated by Contractor, or, where the Contractor is a joint venture, a joint venture partner, (collectively referred to as an "Assignment") unless first approved by City by written instrument executed and approved in the same manner as this Agreement in accordance with the Administrative Code. The City's approval of any such Assignment is subject to the Contractor demonstrating to City's reasonable satisfaction that the proposed transferee is: (i) reputable and capable, financially and otherwise, of performing each of Contractor's obligations under this Agreement and any other documents to be assigned, (ii) not forbidden by applicable law from transacting business or entering into contracts with City; and (iii) subject to the jurisdiction of the courts of the State of California. A change of ownership or control of Contractor or a sale or transfer of substantially all of the assets of Contractor shall be deemed an Assignment for purposes of this Agreement. Contractor shall immediately notify City about any Assignment. Any purported Assignment made in violation of this provision shall be null and void.

4.6 **Warranty.** Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

4.7 **Liquidated Damages.** By entering into this Agreement, Contractor agrees that in the event the Services are delayed beyond the scheduled milestones and timelines as provided in Appendix C, City will suffer actual damages that will be impractical or extremely difficult to determine. Contractor agrees that the sum of **[insert whole dollar amount in words and numbers -- no pennies and no ".00"]** per calendar day for each day of delay beyond scheduled milestones and timelines is not a penalty, but is a reasonable estimate of the loss that City will incur based on the delay, established in light of the circumstances existing at the time this Agreement was awarded. City may deduct a sum representing the liquidated damages from any money due to Contractor under this Agreement or any other contract between City and Contractor. Such deductions shall not be considered a penalty, but rather agreed upon monetary damages sustained by City because of Contractor's failure to furnish deliverables to City within the time fixed or such extensions of time permitted in writing by City.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 **Required Coverages.** Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, insurance in the following amounts and coverages, or as modified in Appendix C. Contractor

shall obtain such insurance on or before the time specified below; if no time is specified below, Contractor shall obtain such insurance when required to do so by Appendix C or a modification to this Agreement. Contractor shall maintain all required insurance continuously from the time originally specified, throughout the term of this Agreement until Final Acceptance of the Artwork by resolution of the Arts Commission. The Director of Cultural Affairs, with the approval of the City's Risk Manager, may authorize in writing the release of an interest in such insurance at an earlier date.

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness. Contractor shall obtain such insurance prior to certification of this Agreement. To the extent Contractor warrants, in writing, that Contractor is not an employer and has no employees as defined by the California Labor Code Sections 3351-3351.1, Contractor need not provide to the City proof of Workers Compensation insurance.

(b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations. Contractor shall obtain such insurance prior to commencing the fabrication of the Artwork and shall maintain through the transportation and installation of the Artwork at the Site.

(c) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable. Contractor shall obtain such insurance prior to certification of this Agreement.

(d) Professional liability insurance, for all design professionals (such as architects, landscape architects or engineers), applicable to contractor's profession, who provide Contractor with signed stamped drawing or calculations. Such insurance shall have limits not less than \$1,000,000 each claim with respect to negligent acts, errors or omissions. Contractor or Contractor's subcontractors shall obtain such insurance when Contractor subcontracts for any work from such a design professional, and prior to the submittal of Construction Documents. Any design professional required to obtain professional liability insurance shall maintain such insurance, and proof thereof, for the term of this Agreement.

(e) Fine Arts Insurance or other insurance against loss in an amount equal to the total payment specified under Section 3.3 (Compensation). Contractor shall obtain such insurance prior to commencing fabrication of the Artwork.

(f) Transportation and/or Installation Coverage, as necessary and appropriate.

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to:

(a) name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

5.1.3 Contractor's Commercial General Liability and Commercial Automobile Liability Insurance policies shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.4 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in

coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled “Notices to the Parties.”

5.1.5 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.6 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.7 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.8 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.9 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.1.10 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

5.1.11 In the event of loss or damage and where any insurance proceeds are paid to City, the Commission shall make a determination, in its sole discretion, as to whether the Artwork shall be restored, reconstructed or abandoned. If the Commission determines that Contractor shall restore or reconstruct the Artwork, all insurance proceeds received by City shall be paid to Contractor to the extent the proceeds are used for such restoration or re-construction.

5.2 **Indemnification.** Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by

City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

5.2.1 Copyright Infringement. Contractor shall also indemnify, defend and hold harmless all Indemnitees from all suits or claims for infringement of the patent rights, copyright, trade secret, trade name, trademark, service mark, or any other proprietary right of any person or persons in consequence of the use by the City, or any of its boards, commissions, officers, or employees of articles, work or deliverables supplied in the performance of Services. Infringement of patent rights, copyrights, or other proprietary rights in the performance of this Agreement, if not the basis for indemnification under the law, shall nevertheless be considered a material breach of contract.

Article 6 Liability of the Parties

6.1 Liability of City. CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT

6.2 Liability for Use of Equipment. City shall not be liable for any damage to persons or property, including Artwork, as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 Liability for Incidental and Consequential Damages. Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 Contractor to Pay All Taxes. Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest

taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Possessory Interest Taxes. Contractor acknowledges that this Agreement may create a “possessory interest” for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a “change in ownership” for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 Withholding. Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and

City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

(a) Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by City.

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, Services, equipment or other items.

(c) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(d) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(e) Completing performance of any Services that City designates to be completed prior to the date of termination specified by City.

(f) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically listed in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding

subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City’s estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City’s payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default (“Event of Default”) under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

If Contractor defaults a second time in the same manner as a prior default cured by Contractor, City may in its sole discretion immediately terminate the Agreement for default or grant an additional period not to exceed five days for Contractor to cure the default.

(c) Contractor (i) is generally not paying its debts as they become due; (ii) files, or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors’ relief law of any jurisdiction; (iii) makes an assignment for the benefit of its creditors; (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor or of any substantial part of Contractor’s property; or (v) takes action for the purpose of any of the foregoing.

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of

Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with the City.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent by registered mail to the address set forth in Article 11.

8.3 **Non-Waiver of Rights.** The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

11.9 **Construction.** All paragraph captions are for reference only and shall not be considered in construing this Agreement.

11.10 **Entire Agreement.** This contract sets forth the entire Agreement between the parties, and supersedes all other oral or written provisions. This Agreement may be modified only as provided in Section 11.5, "Modification of this Agreement."

11.11 **Compliance with Laws.** Contractor shall keep itself fully informed of the City's Charter, codes, ordinances and duly adopted rules and regulations of the City and of all state, and federal laws in any manner affecting the performance of this Agreement, and must at all times comply with such local codes, ordinances, and regulations and all applicable laws as they may be amended from time to time.

11.12 **Severability.** Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (i) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (ii) such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.

11.13 **Cooperative Drafting.** This Agreement has been drafted through a cooperative effort of City and Contractor, and both Parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No Party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the Party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

11.14 **Order of Precedence.** Contractor agrees to perform the services described below in accordance with the terms and conditions of this Agreement, implementing task orders, the RFQ, and Contractor's proposal dated [Insert Date of Proposal]. The RFQ and Contractor's proposal are incorporated by reference as though fully set forth herein. Should there be a conflict of terms or conditions, this Agreement and any implementing task orders shall control over the RFQ and the Contractor's proposal. If the Appendices to this Agreement include any standard printed terms from the Contractor, Contractor agrees that in the event of discrepancy, inconsistency, gap, ambiguity, or conflicting language between the City's terms and Contractor's printed terms attached, the City's terms shall take precedence, followed by the procurement issued by the department, Contractor's proposal, and Contractor's printed terms, respectively.

11.15 **Notification of Legal Requests.** Contractor shall immediately notify City upon receipt of any subpoenas, service of process, litigation holds, discovery requests and other legal requests ("Legal Requests") related to all data given to Contractor by City in the performance of this Agreement ("City Data" or "Data"), or which in any way might reasonably require access to City's Data, and in no event later than 24 hours after it receives the request. Contractor shall not respond to Legal Requests related to City without first notifying City other than to notify the requestor that the information sought is potentially covered under a non-disclosure agreement. Contractor shall retain and preserve City Data in accordance with the City's instruction and requests, including, without limitation, any retention schedules and/or litigation hold orders provided by the City to Contractor, independent of where the City Data is stored.

Article 2A Procedure for Execution of Artwork

1. Commission Liaison. In performing the services provided for in this Agreement, Contractor’s liaison with the Arts Commission will be [insert project manager’s name].

2. It is the general intent of the parties that Contractor will complete the design, fabrication and installation of the Artwork at the Site, provided that City determines, in its sole discretion, to go forward with the completion of the Artwork. The Services shall be completed in separately defined, successive stages (“Phases”). In addition to the Phase(s) set forth in Appendix C at the time this initial Agreement is entered into, the parties may modify this Agreement to include subsequent Phases. Each Phase shall be governed by this Agreement, and by any modifications to this Agreement setting forth specific terms and conditions governing each Phase of Service. Each modification will include the Phase for which the Commission has given authorization, the scope of services covered by that Phase, the schedule of deliverables, insurance requirements, and payment terms.

3. By authorizing any particular Phase, the Commission is not obligated to authorize any subsequent Phase. Subject to the limitations contained in this Agreement, the Commission may terminate this Agreement at any time and is under no obligation to modify the Agreement to include subsequent Phases.

4. Contractor shall not commence any Phase nor incur any expense in anticipation of commencing any Phase unless the Commission has given prior written authorization and the Controller has certified the availability of funds. Prior to beginning each Phase, Contractor shall obtain the necessary approval of the previous Phase. In no event shall City be liable for any claims or damages arising from Contractor’s unauthorized actions.

5. If requested to do so in writing by the Commission, Contractor shall enter into modifications of this Agreement to include later Phases of Service, up to and including final installation at City's option. Contractor's fee for such subsequent Phases shall be in accordance with the Budget approved by the Arts Commission. City must exercise its option to require a subsequent Phase within 3 years of completion of the prior Phase. If City fails timely to exercise its option, Contractor is released from its obligation under this Section. Contractor acknowledges that Commission has provided to Contractor a model contract template for Phases I through V of the Services, from conceptual design through fabrication and installation. Contractor agrees that, if City exercises its option to enter into subsequent Phases of Service, Contractor shall be bound to modify this Agreement to include such additional Phases of Service under the terms and conditions set forth in such model contract templates.

6. The Services to be completed by Contractor are unique and personal to Contractor, and may not be capable of completion by anyone other than Contractor. Therefore, if Contractor fails or refuses to modify this Agreement to include subsequent Phases after having been requested to do so by the Commission, or fails to complete the Services required by any Phase, the Commission may require that Contractor return all payments made under this Agreement from the initiation of the Agreement. If the Commission determines, in its sole and reasonable discretion, that Contractor's failure or refusal to complete subsequent Phases is justifiable and in good faith and for reasons beyond the control of Contractor, the Commission may authorize Contractor to keep payments made under this Agreement for prior completed Phases. In such case, the Commission may, at its option, engage another Contractor to complete the Artwork.

Article 3A Budget

Unless otherwise specified in a modification to this Agreement, at the completion of Design Development Documents, Contractor shall submit a final Budget for the entire cost of completion of the Artwork, including design, fabrication, transportation and delivery, installation and any post-installation maintenance required of Contractor. Budget shall also include anticipated costs associated with ongoing maintenance and operation of Artwork and/or replacement/upgrade of any part of the Artwork and associated moving parts or equipment including any staff time involved in displaying, supervising or operating Artwork. Once adopted by the Commission as part of the approval of the Design Development phase, such Budget shall be binding upon Contractor. If Contractor is unable to provide the completed and installed Artwork to City within the approved Budget, Contractor will be considered to be in breach of this Agreement. The Budget, in addition to allowing for all costs anticipated for the design, fabrication, transportation and installation of the Artwork, shall also allow for a 10% Contingency Allowance. Contractor's use of the Contingency Allowance must be approved in advance in writing by Commission staff. Any balance remaining in the materials budget or Contingency Allowance at the conclusion of the Agreement reverts to the Commission. The Budget shall also include an estimate of the costs of on-going maintenance of the Artwork. Such maintenance costs shall not be provided out of the Contract Amount unless the Commission specifically requires in writing that the Contractor allocate a portion of the Contract Amount to on-going maintenance costs.

Article 4A Consultation

1. Contractor agrees to cooperate in good faith with the Commission and to be available as reasonably necessary for consultation with the Commission, Architect, Client, and General Contractor during all stages of the Services. Commission agrees to facilitate cooperation and arrange for and coordinate all necessary consultation among the Commission, Contractor, Architect, Client, and General Contractor.

2. Contractor shall incorporate into the Contract Documents any changes made by the Architect to the Site design during the design process.

3. Contractor shall copy Commission on all correspondence between Contractor, Architect, Client, Construction Management Team, or General Contractor in which Commission is not a party. Contractor shall notify Commission in writing of any verbal agreements and /or understandings that are arrived at in conversations or meetings between Contractor and Architect, Client, Construction Management Team and/or General Contractor to which Commission is not a party. Contractor understands that failure to inform Commission of such agreements, and failure to confirm such agreements in writing with Commission and/or Client, Architect, Construction Management Team and/or General Contractor may result in such agreements not being honored.

Article 5A Approval and Final Acceptance

1. **Approval.** The granting or withholding of any approval by the Commission shall be determined by the Commission in its sole and reasonable discretion. However, the Commission shall approve all deliverables if they conform to plans or Contract Documents previously approved by the Commission. If the Commission withholds approval of any deliverables or Phase, in addition to other rights or remedies available to the Commission under the Agreement or applicable law, the Commission shall have the right to terminate this Agreement immediately and shall have no further obligations under this Agreement.

2. **Final Acceptance.** Contractor shall advise the Commission in writing when Contractor has completed all obligations, services and deliverables under this Agreement and all modifications. The Commission promptly shall send a Notice of Response identifying in writing any obligations, services or deliverables that Contractor has not satisfactorily met, any defects in Contractor's performance, and the requirements for Contractor to cure any such default. Contractor shall have 20 days from dispatch of the Notice of Response to cure any defects in Contractor's performance identified in the Commission's Notice of Response. The Artwork shall not be finally accepted by City unless the Commission has issued a resolution of Final Acceptance. City shall make a good faith effort to make a determination as to Final Acceptance promptly.

3. **Civic Art Collection.** Upon Final Acceptance, the Commission shall accession the Artwork into the Civic Art Collection.

Article 6A Risk of Loss; Responsibility for Site Conditions

1. **Risk of Loss.** The risk of loss or damage to the Artwork shall be borne solely by Contractor until Final Acceptance of the Artwork by the Commission. Contractor shall take steps to protect the Artwork from loss or damage. The Commission staff shall make a good faith effort to inspect the Artwork within 15 days after completion so that the Commission can approve the Artwork by resolution in a timely fashion.

2. **Responsibility for Site Conditions.** Contractor, rather than City, is responsible for site conditions and the health and safety of Contractor's employees, subcontractors and agents, and all other persons that work on or visit the Site at the invitation of Contractor.

**Article 7A Instructions for Maintenance; Variable Media Guidelines;
Anticipated Life Span of Artwork**

1. Unless specifically provided in this Agreement, Contractor shall not be responsible for ongoing maintenance of the Artwork. Contractor shall provide the Commission and Client [insert name of client department/agency] with a General Maintenance Plan for the Artwork, with a detailed description of future anticipated maintenance requirements; a recommended maintenance schedule; anticipated and required care and/or replacement/upgrade of any part of the Artwork and associated moving parts or equipment including any staff time involved in displaying or operating artwork and the frequency of such staff involvement; and written instructions and manufacturer's specifications for reasonably foreseeable maintenance and preservation activities relating to the Artwork. Contractor shall also provide Commission and Client [insert name of client department/agency] with a description of all equipment and or machinery needed to operate the project (if applicable) and any anticipated or required staffing, supervision or operational needs. The Artwork shall be durable, taking into consideration that the Site is an unsecured public space that may be exposed to elements such as weather, temperature variation, and considerable movement of people and equipment. Contractor shall ensure that all maintenance requirements will be reasonable in terms of time and expense. The Contractor shall submit this information using the forms attached as Appendix F (Civic Art Collection Forms), with such additional pages as may be required to adequately explain the maintenance plan.

2. With respect to Variable Media, the Contractor shall also provide the Commission with a written recommendations for translating the Artwork into new media or replacing elements of the Artwork in the event that the original medium, components and/or the Contractor's installation plan become obsolete ("Variable Media Guidelines"). Although the City is not required to comply with such Variable Media Guidelines, the City may take such Guidelines into account when maintaining the Artwork or trying to preserve the integrity of the Artwork.

3. Although City strives to maintain the Civic Art Collection in good repair and condition, City is not required by this Agreement to maintain the Artwork to any particular standard. City may determine to allow the Artwork to deteriorate in accordance with the Artwork's temporary life span, if deemed appropriate by City or if City lacks sufficient funds for required maintenance and/or conservation. If the Artwork suffers deterioration, City shall have sole discretion to determine whether to remove the Artwork from display as a result of

deterioration, whether to replace any portion of the Artwork or translate any component into new media, or whether to maintain the Artwork on display despite its deteriorated condition.

4. The anticipated life span of the Artwork is [insert # of years, note default is 25] years from the date of final acceptance by the Commission. After that time, the Commission in its sole discretion may re-evaluate the Artwork to determine if it retains its identity as a work of art and, if not, whether to take appropriate action, including the possibility of destroying the Artwork. If no life span is specified above or pursuant to a subsequent contract modification, the anticipated life span of the Artwork shall be 25 years. If the Commission determines that, through decay, vandalism or other forces, the Artwork has lost its integrity to the point where it should be destroyed, the Commission shall first offer the Artwork to Contractor free of charge.

Article 8A Contractor's Moral Rights; City's Ownership Rights

1. The Commission, having expended considerable public funds to commission the Artwork, and pursuant to its Charter responsibilities, intends to display the Artwork at the Site as originally created by Contractor and to maintain the Artwork in good condition. Public artworks commissioned by the Commission are sometimes integrated into their site, such that they become an integral, permanent and site-specific part of the building's architecture or landscaped environment and removal of the Artwork would result in significant changes to the Artwork and the building's architecture. City, however, shall preserve complete flexibility to operate and manage City property in the public's interest. Therefore, City retains the absolute right to Alter the Artwork in City's sole judgment. For example, City may Alter the Artwork to eliminate hazard, to comply with the ADA, to otherwise aid City in the management of its property and affairs, or through neglect or accident. If, during or after the term of this Agreement, City finds the Site to be inappropriate, City has the right to install the Artwork at an alternate location that City chooses in its sole discretion. If the Artwork is free-standing such that it can be removed without significant damage to the Artwork or the Site, and if the Commission authorizes the removal of the Artwork, the Commission shall take reasonable precautions to minimize Alteration of the Artwork during removal.

2. With respect to the Artwork produced under this Agreement, and in consideration of the procedures and remedies specified in this Agreement, Contractor waives any and all claims, arising at any time and under any circumstances, against City, its officers, agents, employees, successors and assigns, arising under the federal Visual Artists Rights Act (17 U.S.C. §§106A and 113(d)), the California Art Preservation Act (Cal. Civil Code §§987 et seq.), and any other local, state, federal or international laws that convey rights of the same nature as those conveyed under 17 U.S.C. §106A, Cal. Civil Code §§987 et seq., or any other type of moral right protecting the integrity of works of art. If the Artwork is incorporated into a building such that the Artwork cannot be removed from the building without Alteration of the Artwork, Contractor waives any and all such claims against any future owners of the Site, and its agents, officers and employees, for Alteration of the Artwork.

3. If City intends to take any action with respect to the Site or the Artwork that would Alter the Artwork, other than routine cleaning and maintenance, the following procedures shall apply:

A. Notice. Where time permits, Commission shall make reasonable good faith efforts to notify Contractor at least 20 calendar days prior to authorizing any Alteration of the Artwork, at the last phone number or address provided by Contractor to the Commission's Collections Manager. Where time does not permit prior to Alteration of the Artwork – for example, in cases of public hazard, accident or unauthorized Alteration – Commission shall notify Contractor within 30 calendar days after such Alteration.

B. Consultation. After receiving such notice, Contractor shall consult with City to determine whether the Artwork can be restored or relocated, and to attempt to come to a mutually agreeable plan for disposition of the Artwork. Such consultation shall be without charge by Contractor unless otherwise specifically agreed in writing. If City intends to remove the Artwork, Contractor shall consult regarding methods to minimize or repair any Alteration to the Artwork caused by such removal and the potential costs of such removal.

C. Restoration. If the Artwork is Altered, with or without prior notice to Contractor, and City intends to maintain the Artwork on display, City shall make a reasonable good faith effort to engage Contractor in the restoration of the Artwork and to compensate Contractor for Contractor's time and efforts at fair market value, which may be the subject of a future Agreement between Contractor and City. However, City has no obligation under this Agreement to restore the Artwork to its original condition, to compensate Contractor for any restoration work, or to maintain the Artwork on display. If Contractor fails or refuses to negotiate with City in good faith with respect to any restoration, City may contract with any other qualified art conservator or artist for such restoration. During Contractor's lifetime, City shall make best efforts not to display or deaccession only a portion of the Artwork without Contractor's consent.

D. Removal by Contractor. Where time permits, if City intends to take action that will destroy or significantly Alter the Artwork, such as destruction of all or part of the Site, and City determines that it will not remove the Artwork itself, City shall allow Contractor to remove the Artwork at Contractor's expense within 60 days of notice from the City of the need to remove the Artwork, in which case title shall revert to Contractor. If Contractor fails to remove the Artwork within that 60 day period, City may Alter the Artwork in any manner, including destroying it, in City's sole discretion.

E. Remedies. If City breaches any of its obligations under this Section, Contractor's remedies shall be limited as follows: If City inadvertently fails to provide a required prior notice of Alteration, City will provide notice as soon as it discovers the omission, and before Alteration of the Artwork if that remains possible. If City Alters the Artwork without providing Contractor a required prior notice of Alteration, Contractor shall be given the first right of refusal to restore the Artwork at the same location and City shall make reasonable efforts to provide funding for the restoration. If City funds cannot be made available after reasonable efforts are made to secure such funding, Contractor may, but is not obligated to, restore the Artwork at Contractor's expense. If Contractor elects not to restore the Artwork, City may retain another artist or conservator to restore it, or may Alter the Artwork in any manner, at City's sole discretion.

4. If City Alters the Artwork without Contractor's consent in a manner that is prejudicial to Contractor's reputation, Contractor retains the right to disclaim authorship of the Artwork in accordance with California Civil Code §987(d) and 17 U.S.C. §106A(a)(2).

5. Except as provided in this Agreement, with respect to third parties who are not officers, employees, agents, successors or assigns of City, Contractor retains Contractor's moral rights in the Artwork, as established in the Visual Artists Rights Act (17 U.S.C. §§106A and 113(d)), the California Art Preservation Act (Cal. Civil Code §§987 and 989), or any other local, state, federal or international moral rights laws that protect the integrity of works of art. Accordingly, nothing herein shall prevent Contractor from pursuing a claim for Alteration of the Artwork against a third party who is not an officer, employee, agent, successor or assign of City. City has no obligation to pursue claims against third parties to remedy or prevent Alteration of the Artwork. However, as owner of the Artwork, City may pursue claims against third parties for damages or to restore the Artwork if the Artwork has been altered without City's authorization.

Article 9A Intellectual Property and Publicity Rights

1. **Copyright.** Subject to usage rights and licenses granted to City hereunder, Contractor shall retain all 17 U.S.C. §106 copyrights in all original works of authorship produced under this Agreement. Contractor's copyright shall not extend to predominantly utilitarian aspects of the Artwork, such as landscaping elements, furnishings, or other similar objects. If Contractor is comprised of two or more individual persons, the individual persons shall be deemed joint authors of the Artwork.

2. **City's Intellectual Property License.** Contractor grants to City, and to City's agents, authorized contractors and assigns, an unlimited, non-exclusive and irrevocable license to do the following with respect to the Artwork and any original works of authorship created under this Agreement, whether in whole or in part, in all media (including electronic and digital) throughout the universe:

A. **Implementation, Use and Display.** City may use and display the Artwork and any related graphic representations or models. To the extent the Artwork involves design elements that are incorporated by City into the design of the Site, City may implement such elements at the Site.

B. **Reproduction and Distribution.** City may make and distribute, and authorize the making, display and distribution of, photographs and other 2-dimensional reproductions. City may use such reproductions for any City-related purpose, including advertising, educational and promotional materials, brochures, books, flyers, postcards, print, broadcast, film, electronic and multimedia publicity, gifts for the Commission benefactors, documentation of City's Civic Art Collection, and catalogues or similar publications. City shall ensure that such reproductions are made in a professional and tasteful manner, in the sole and reasonable judgment of the Commission. The proceeds from the sale of any such reproductions shall be used to maintain and support City's Civic Art Collection or for any other public

purposes that City deems appropriate. The license granted hereunder does not include the right to create 3-dimensional reproductions on items such as tote-bags, T-shirts, coffee mugs and similar merchandise. Such reproductions may only be created pursuant to separate license agreements with Contractor.

C. **Public Records Requests.** Any documents provided by Contractor to City are public records and City may authorize third parties to review and reproduce such documents pursuant to public records laws, including the San Francisco Sunshine Ordinance and California Public Records Act.

3. **Third Party Infringement.** The Commission is not responsible for any third party infringement of Contractor's copyright and not responsible for protecting the intellectual property rights of Contractor.

4. **Credit.** Contractor hereby agrees that all formal references to the Artwork and any reproductions of the Artwork in any form shall include the following credit: "Collection of the City and County of San Francisco, San Francisco Arts Commission." City shall credit Contractor for the Artwork upon publication of any two dimensional reproductions of the Artwork. Wherever the City finds practicable, the City shall make an effort to ensure that all reproductions by City shall contain a copyright notice substantially in the following form: "Copyright (c), Contractor's name, date," in such a manner and location as shall comply with the U.S. Copyright laws.

5. **Publicity.** City shall have the right to use Contractor's name, likeness, and biographical information, in connection with the display or reproduction and distribution of the Artwork including all advertising and promotional materials regarding City or the Commission. Contractor shall be reasonably available to attend any inauguration or presentation ceremonies relating to the public dedication of the Artwork.

6. **Trademark.** In the event that City's use of the Artwork creates trademark, service mark or trade dress rights in connection with the Artwork, City shall have an exclusive and irrevocable right in such trademark, service mark, or trade dress.

7. **Unique.** Contractor warrants that the design of the Artwork as expressed in the Proposal is an edition of one, and that neither Contractor nor Contractor's agents will execute or authorize another to execute another work of the same or substantially similar image, design, dimensions and materials as the Artwork. Contractor may create works that utilize or incorporate various individual art elements that comprise the Artwork, so long as the work utilizing or incorporating such individual elements (1) does not consist predominantly of such elements (2) is not the same or substantially similar in image, design, dimensions and materials as the Artwork, and (3) is not displayed in an environment that is the same or substantially similar to the environment in which the Artwork is to be displayed at the Site. This warranty shall continue in effect for a period consisting of the life of Contractor plus 70 years or for the duration of the Artwork's copyright protected status, whichever is longer, and shall be binding on Contractor and Contractor's heirs and assigns. In the case where the Contractor is working with two or more individual persons or a group of people to complete the Artwork, the measuring life shall be the life of the last surviving individual person comprising Contractor's team. Recognizing that City

has no adequate remedy at law for Contractor's violation of this warranty, Contractor agrees that, in the event Contractor breaches this warranty, City shall be entitled to enjoin Contractor's breach. Nothing hereunder shall be construed to constrain Contractor from creating posters, note cards, or other reproductions of the Artwork with appropriate credit to the Commission.

Article 10A City Access to Artwork; Inspection of Artwork; Status Reports; Contractor Availability

1. **City Access to Artwork; Inspection of Artwork.** City shall have the right to inspect the Contractor's work, including the Artwork, at the Site during any phase of the project at any time. In the event that all or part of the Artwork is created in a location other than the Site, the City shall have the right to inspect the Artwork at any phase of the project following 48 hours written notice from the City to the Contractor. The Contractor shall be responsible for facilitating City's prompt access to Contractor's property or the property of the Contractor's subcontractors where the Artwork or portions of the Artwork are being fabricated or installed.

2. **Status Reports.** Contractor shall submit written reports regarding the status of the Services, including the Artwork, as requested by the Commission. The Commission shall determine the format for the content of such reports. The timely submission of all reports is a necessary and material term and condition of this Agreement. The reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages to the maximum extent possible.

3. **Contractor Availability.** Contractor or Contractor's authorized agent shall be available at Contractor's sole expense for up to [insert number of required visits – if no number is specified the default number shall be 4] visits to San Francisco to ensure the proper installation and operation of the Artwork. During each visit to San Francisco, unless otherwise agreed upon by the Arts Commission, the Contractor's visits shall last for at least a full 8 hour day. Travel shall be reimbursed in accordance with Appendix E ("Payment Breakdown and Schedule").

Article 11A Contractor's Warranties

1. **Warranty of Title.** Contractor represents and warrants that Contractor is the sole author of the Artwork and that Contractor is the sole owner of any and all copyrights pertaining to the Artwork. Contractor further represents that the Artwork is free and clear of any liens and that there are no outstanding disputes in connection with property rights, intellectual property rights or any other rights in the Artwork or any parts of the Artwork.

2. **Warranty of Workmanship.** Contractor represents and warrants that, for a period of three years after final acceptance, the Artwork [insert any additional information regarding the Work if needed (i.e. including but not limited to X, Y, and Z)] will be free of defects in workmanship or materials, including Inherent Defects (as defined below), and that the Artwork will be executed in permanent, non-fugitive materials that will not tend to degrade or fade over long-term installation at the Site. "Inherent Defect" refers to a quality within the material or materials, which comprise the Artwork which, either alone or in combination, results in the tendency of the Artwork to destroy itself. "Inherent Defect" does not include any tendency to deteriorate that is specifically identified in the Contract Documents approved by the

Commission. Contractor shall, at Contractor's sole cost and expense, remedy any defects in workmanship or materials that appear within a period of three years from the date of final acceptance of the Artwork by City.

3. Warranty of Public Safety. Contractor represents and warrants that the Artwork will not pose a danger to public health or safety in view of the possibility of misuse, if such misuse is in a manner that was reasonably foreseeable at any time during the term of this Agreement.

4. Manufacturer's Warranties. To the extent the Artwork incorporates products covered by a manufacturer's warranty, Contractor shall provide copies of such warranties to City.

5. Warranty of Acceptable Standard of Display and Operation. Contractor represents and warrants that:

A. The Artwork will conform with design specifications and, where Artwork involves electronic, digital, video, mechanical, living, variable, moving or other dynamic components, the Artwork will also operate, function or perform in accordance with Contractor's representations to the City without any costs beyond the final Budget for the Artwork or any additional staff assistance.

B. Occasional or minimal cleaning and repair of the Artwork and any associated working parts and/or equipment will maintain the Artwork within an acceptable standard of public display;

C. Foreseeable exposure to the elements and general wear and tear will cause the Artwork to experience only minor repairable damages and will not cause the Artwork to fall below an acceptable standard of public display; and

D. With general routine cleaning and repair, and within the context of foreseeable exposure to the elements and general wear and tear, the Artwork will not experience irreparable conditions that do not fall within an acceptable standard of public display, including mold, rust, fracturing, staining, chipping, tearing, abrading and peeling.

Article 12A ADA Compliance

Contractor shall cooperate with City and allow City to take reasonable steps to ensure that the Artwork is accessible to the disabled, with respect to the elimination of both architectural and programmatic barriers. Such cooperation shall include assisting with modifications to the Artwork, or preparing or authorizing tactile models, reproductions, or other materials necessary to provide access to the Artwork. If requested by City, Contractor shall engage a consultant, as part of the project Budget, to review the Artwork for compliance with the ADA.

Article 13A Subcontracting

Important note: If Contractor is not a licensed contractor, Contractor shall not be able to subcontract with licensed contractors for on-site fabrication and/or installation of the Artwork or any portion of the Artwork under this Agreement.

1. Any approved subcontracts shall be itemized in Appendix C by each phase of work and Contractor shall provide a copy of each approved subcontract to the City. In addition, Contractor shall provide the Commission with the name, address and telephone number of suppliers and subcontractors whose total invoices are expected to exceed one thousand dollars (\$1,000.00) prior to Contractor beginning work under this Agreement, or as such expenses are incurred by Contractor after certification of this Agreement.

2. Documentation of Subcontracts. Contractor shall provide a description of the Services to be performed under any subcontract and the amount of the subcontract, and shall provide the Commission with written copies of Contractor's agreements with each subcontractor. Contractor shall include by reference, and include in each and every contract, the requirements of this Agreement relating to the following: submitting false claims; inspection and audit of records; Administrative Code Chapters 12B (non-discrimination), 14B (LBE Ordinance), 12P (minimum compensation of employees), 12Q (Health Care Accountability Ordinance), 12T (consideration of criminal history); indemnity provisions; bond and insurance requirements; consideration of criminal history in hiring and employment; provisions regarding City Access to Artwork/Inspection of Artwork; required deliverables and City's right to use and implement the Artwork. Contractor shall include a statement in the subcontract requiring that the subcontractor shall comply with all Agreement requirements applicable to the Contractor, including compliance with applicable Federal, State and local laws, including any City contracting requirements applicable to the Contractor.

3. Fabrication and Installation Subcontracts. In addition, if the Contractor is a licensed contractor and plans to subcontract the fabrication or installation of any portion of the work under this Agreement, the City must grant prior approval of such contractors and the Contractor shall require such subcontractors to:

A. Name the City and County of San Francisco as a third-party beneficiary to the subcontract by expressly stating that "the parties agree that the City and County of San Francisco shall be a third-party beneficiary to this agreement and shall have the right to enforce the terms of this agreement" and Contractor shall provide the City with a copy of each such subcontract.

B. Name the City and County of San Francisco as an additional insured on the subcontractor's general liability insurance policy.

C. The Subcontractor shall agree to indemnify and hold harmless the City and County of San Francisco (consistent with the "Indemnification" provisions contained herein as Section 5.2.)

D. If any fabrication and/or installation subcontract qualifies as a "Public Work" under this Agreement and the San Francisco Administrative Code and is **in excess of**

\$25,000, the subcontractor shall also be responsible for providing any performance bond required under this Agreement on the City’s form and shall name the City and Contractor as dual obligees of such performance bond. In the event of Contractor or any of Contractor’s subcontractors’ failure to perform, Contractor shall assign all rights under any Performance and Payment or Labor and Materials bond in favor of City.

E. Subcontractor shall certify that he or she has all applicable licenses required by the State for subcontractor to perform the fabrication or installation work specified in the subcontract and that subcontractor warrants that such licenses are valid for the full term of this Agreement and during the period in which the subcontractor performed fabrication and installation work under this Agreement.

Article 14A Bonds

1. Labor and Materials (Payment) and Performance Bonds: To the extent that the fabrication and/or installation of any artwork is a “Public Work” as defined by San Francisco Administrative Code Section 6.1, and any contract amount, including any subcontract amount, for such fabrication or installation exceeds \$25,000, the Contractor or Contractor’s subcontractors shall provide performance and payment bonds from a City-approved surety under San Francisco Administrative Code Section 6.22(a). The bonds shall each be in an amount of not less than one hundred percent of the agreement for project-specific work. The performance bond shall name the City and County of San Francisco as sole obligee if provided by the Contractor. The bonds shall be on a City-approved form provided by the City to the Contractor. The Contractor shall submit the bonds to the Arts Commission for approval.

2. Bonds Provided by Subcontractors: Bonds provided by the Contractor’s subcontractor shall identify the project and name as dual obligees the Contractor and the City and County of San Francisco. Upon written request by the City, in the event of any of Contractor’s subcontractors’ failure to perform, Contractor shall assign all rights under any Performance and Payment or Labor and Materials bond in favor of City. The bonds shall be on a City-approved form provided by the City to the Contractor. The Contractors shall submit the bonds to the Arts Commission for approval.

3. Labor and Materials (Payment) and Performance Bonds required at Commission’s Discretion: To the extent that the fabrication and/or installation of any artwork and the contract amount, including any subcontract amount for such fabrication or installation exceeds \$25,000, the Commission may, at the Commission’s sole discretion, require Payment and Performance Bonds, whether or not the fabrication and or installation of the Artwork is defined as a “Public Work” by the San Francisco Administrative Code. In such event, all the above requirements shall apply.

Article 15A Licensed Contractor Requirements.

If the fabrication and/or installation of the Artwork or any portion of the Artwork under this Agreement is a “Public Work” as defined by San Francisco Administrative Code Section 6.1 (I) and requires a licensed contractor, Contractor shall be solely responsible for ensuring that

Contractor and Contractor's subcontractors (if any) have valid appropriate licenses under California law or the applicable jurisdiction. If the Contractor and/or any of Contractor's subcontractors are unlicensed during any phase of the project under this Agreement, the City shall have the right to bar Contractor from receiving any payment for Contractor's services. **If Contractor is not a licensed contractor, Contractor shall not be able to subcontract with licensed contractors for on-site fabrication and/or installation of the Artwork or any portion of the Artwork under this Agreement.**

Article 16A Timely Provision of Services; Damages for Delayed Performance

1. **Time is of the essence in this Agreement.** Contractor agrees to provide all deliverables in accordance with the timelines specified herein unless changes are approved in writing by the Commission.

2. Damages for Delayed Performance

A. Generally. Notwithstanding Section 6.3, Contractor shall not be liable to City for damages resulting from delays caused by Force Majeure or by acts or omissions of City, Architect or the General Contractor, except to the extent Contractor failed reasonably to mitigate such damages.

B. Illness, Injury, Death or Incapacity. Should Contractor die, become ill, injured or otherwise incapacitated (collectively, "incapacitated") such that Contractor is unable to work for any period not exceeding 30 days (whether consecutive or non-consecutive), any delay arising out of such incapacity will be allowed by City whenever it is practicable to do so, considering the facts and circumstances of the Artwork, the Project, the Architect, the General Contractor and the Client. City may require Contractor to provide medical certification of any claimed incapacity. In the event Contractor is incapacitated such that Contractor is unable to work for a period exceeding a total of 30 days (whether consecutive or non-consecutive), City may, at its option, undertake to complete and install the Artwork in Contractor's absence, so long as the final Artwork is substantially similar to that designed by Contractor. If City undertakes to complete the Artwork, City shall give due consideration to Contractor's suggestions, and Contractor may disclaim authorship of the Artwork. If City exercises its option to implement the Artwork in Contractor's absence, any compensation paid or payable to Contractor shall be reduced by the costs and expenditures of City in completion and installation of the Artwork. In case of incapacity exceeding 30 days, the following person shall be Contractor's representative vis-à-vis the City for purposes of this Section: **<<Name of Representative, Relationship of Representative to Contractor, Contact Information including Address, Phone and Email>>** unless otherwise directed in writing by the Contractor.

C. In case of delay in Contractor's services through no fault of Contractor, including construction delay, Contractor shall store the Artwork at no additional cost to City for up to 6 months. If Contractor's work is delayed due to construction delays at the Site or other delays caused by City or its contractors, so that Contractor suffers documented direct cost impacts in the form of increased costs of materials and/or labor, Contractor may apply to the City for reimbursement of those expenses, which City may award in its sole discretion.

Article 17A Assignment or Transfer

Contractor guarantees that Contractor will consistently give personal attention to the faithful execution of this Agreement, including any work performed by employees, agents or subcontractors. Contractor shall keep the Services under Contractor's control and shall not assign or subcontract the Services, in whole or in part, except as provided in this Agreement. All transactions with subcontractors shall be made through Contractor, and no subcontract, assignment or other transfer by Contractor or any member of his or her team shall relieve Contractor of any of Contractor's liability or obligations under this Agreement.

City may assign this Agreement to the General Contractor on such terms and conditions as are acceptable to City.

Article 18A Modifications

INTERNAL CLARIFICATIONS TO PROPOSAL AND SCOPE OF SERVICES. NOTWITHSTANDING THE ABOVE PROVISION REGARDING AGREEMENT MODIFICATIONS, THE COMMISSION AND CONTRACTOR, BY MUTUAL WRITTEN AGREEMENT SIGNED BY BOTH PARTIES, MAY CLARIFY THE APPENDIX B ("CONTRACTORS PROPOSAL") AND/OR APPENDIX C ("SCOPE OF SERVICES"), BY FURTHER OUTLINING, CORRECTING, CLARIFYING AND REFINING THE SUBSTANCE OF EACH OF THE PHASES I THROUGH V, INCLUDING THE DATE(S) OF DELIVERABLES (INCLUDING MODIFYING OR CHANGING THE ORDER OF THE DUE DATE(S) FOR DELIVERABLES), THE COSTS ASSOCIATED WITH EACH PHASE AND THE PAYMENT SCHEDULE. SUCH CHANGES SHALL BE KEPT ON FILE AT THE ARTS COMMISSION.
